Domestic A/G/NATO Visa Application

Instructions

Welcome to the Consular Electronic Application Center Instructions Page. This online A/G/NATO Visa Application can be completed to initiate the application process.

What you need:

1. 128-bit encryption support
2. JavaScript must be enabled
3. This website is best supported by Internet Explorer 11 or higher and Google Chrome 58 or higher. Safari is not supported.

Note: The time to download each page may vary depending on the speed of your Internet connection. Please be patient.

Instructions for completing the online A/G/NATO Visa Application:

1. Enter the information requested into the appropriate spaces on each page. Please answer all questions. Your answers must be in English and must use English characters. Letters like ñ, é, ü, ç are not recognized by the system. Please enter names like Muñoz and Sémonin as Munoz and Semonin.
2. Review the information you entered for accuracy.
3. Print the confirmation page.

Notice 22 C.F.R.6 41.103 requires an applicant to sign and submit his or her own nonimmigrant visa application unless otherwise exempt. Although the applicant may receive assistance from a third party in preparing the application, the applicant is required to click the "Sign and Submit" button at the end of the application. The applicant's failure to sign the application may result in a termination of the application.

Application Information

Please record your Application ID in a safe and secure place.

If there are technical issues with the system, or you want to complete your application some other time, you can save your work and later, start where you left off. In order to access your application later, however, you will need: (1) your Application ID, and (2) the answer to the security question that you will choose on this page.

To choose a security question, pick the one you like the best from the dropdown list, type your answer to that question in the box below, and click "Continue." Remember: In order to access your application later, you will need to know the answer **exactly as you wrote it on this page**.

You can also use your Application ID and security question to retrieve your Confirmation Page after you have submitted your application, or to use your previously provided application information to complete a new application at a later date.

If you do not plan to complete your application within the next 30 days, download your application to your computer by clicking the "Save" button at the bottom of the last completed page. Follow the instructions. When you are ready to complete your application, select "Upload an Application". NOTE: Only download your application to a computer that cannot be accessed by anyone who does not have your permission to see or record your personal data. If you download your application a shared or public computer, such as a computer in a cyber café or library, your personal information may be able to be accessed by other users.

Note: Electronically submitting your DS-1648 online application is the FIRST STEP in the visa application process. The next step is to review the internet page of the [embassy or consulate](#) where you plan to apply for your visa. Most visa applicants will need to schedule a visa interview, though some applicants may qualify for visa renewal. The [embassy or consulate](#) information may include specific local instructions about scheduling interviews, submitting your visa application, and other frequently asked questions.
