General Instructions

Section references are to the Internal Revenue Code.

Purpose of Form

Form 8612 is used by real estate investment trusts (REITs) to figure and pay the excise tax on undistributed income under section 4981. The excise tax is 4% of the excess, if any, of the required distribution over the distributed amount.

Who Must File

Any REIT that is liable for the excise tax on undistributed income under section 4981 must file Form 8612.

When and Where To File

File Form 8612 by March 15th following the calendar year to which the excise tax liability applies. File it with the Department of the Treasury, Internal Revenue Service Center, Cincinnati, OH 45999.

If more time is needed, use Form 7004, Application for Automatic Extension of Time To File Certain Business Income Tax, Information, and Other Returns. However, Form 7004 does not extend the time for payment of tax.

Who Must Sign

Form 8612 must be signed and dated by the president, vice president, treasurer, assistant treasurer, or chief accounting officer, or by any other officer (such as tax officer) authorized to sign. Receivers, trustees, or assignees must sign and date any return that they are required to file on behalf of the REIT.

Rounding Off to Whole Dollars

The REIT may show amounts on the return as whole dollars. To do so, drop any amount less than 50 cents and increase any amount from 50 cents through 99 cents to the next dollar.

Interest and Penalties

Interest. Interest is charged on taxes paid late even if an extension of time to file is granted. Interest is also charged on penalties imposed for failure to file, negligence, fraud, and substantial understatements of tax from the due date (including extensions) to the date of payment. The interest charge is figured at a rate determined under section 6621.

Late payment of tax. A REIT that doesn't pay the tax when due may be charged a penalty for the failure to pay tax. The amount of the penalty is ½ of 1% of the unpaid tax for each month or part of the month the tax is not paid, up to a maximum of 25% of the unpaid tax. This penalty won't be imposed if the REIT can show that the failure to pay on time was due to reasonable cause.

Late filing of return. A REIT that doesn't file its tax return by the due date, including extensions, may be penalized 5% of the unpaid tax for each month or part of a month the return is late, up to a maximum of 25% of the unpaid tax. The penalty won't be imposed if the REIT can show that the failure to file on time was due to reasonable cause. REITs that file late should send an explanation of reasonable cause after receiving a notice from the IRS. **Do not** attach an explanation when the return is filed.

Other penalties. Other penalties can be imposed for negligence, substantial understatements of tax, reportable transaction understatements, and fraud. See sections 6662, 6662A, and 6663.

Amended Return

To amend a previously filed Form 8612, file a corrected Form 8612 and write "Amended" at the top of the form.

Specific Instructions

Period covered. Fill in the space at the top of the form to show the calendar year for which this return is filed. The REIT is required to figure its undistributed income on a calendar year basis even though it may file its income tax return and keep its books and records on a fiscal year basis.

Address. Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and the REIT has a P.O. box, show the box number instead.

If the REIT receives its mail in care of a third party (such as an accountant or an attorney), enter on the street address line "C/O" followed by the third party's name and street address or P.O. box.

Line 1a. Refigure real estate investment trust taxable income, treating the calendar year as the REIT's tax year. When refiguring this amount, exclude the deduction for dividends paid and any gain or loss from the sale or exchange of a capital asset. Include adjustments that result in the distribution of deficiency dividends (defined in section 860(f)) for the year in which the dividends are paid. Also, include the REIT's share of partnership ordinary income (loss) and deductions when they are taken into account by the partnership. For details and exceptions, see Rev. Rul. 94-40, 1994-1 C.B. 274; and Rev. Proc. 94-71, 1994-2 C.B. 810.

Line 2a. To determine capital gain net income, figure the excess, if any, of the gains over the losses from the sale or exchange of capital assets, determined by treating the calendar year as the REIT's tax year. Reduce the result by the REIT's net ordinary loss (as defined in section 4981(e)(2)(C)), if any, for the calendar year. Include adjustments that result in the distribution of deficiency dividends (defined in section 860(f)) and that affect capital gain net income for the year in which the dividends are paid. Also, include the REIT's share of partnership items that affect capital gain net income when they are taken into account by the partnership. For details and exceptions, see Rev. Rul. 94-40 and Rev. Proc. 94-71.

Line 3a. Add lines 1a and 2a using amounts for the previous calendar year, increased by the prior year's shortfall, if any, as defined in section 4981(b)(2).

Line 5. Enter the deduction for dividends paid (as defined in section 561) during the current calendar year figured without regard to the dividends paid, if any, attributable to net income from foreclosure property. Include deficiency dividends (defined in section 860(f)) paid during the calendar year. Also, include dividends declared in October, November, or December but only if they were actually paid by the REIT during January of the following calendar year. See section 857(b)(9). Do not include on this line any other dividends paid after the close of the calendar year.

Line 6. Line 6 is the total of the following amounts figured for the tax year of the REIT ending in or with the calendar year for which this excise tax return is filed.

1. Real estate investment trust taxable income from Form 1120-REIT, Part I, line 22.
2. Undistributed capital gains designated under section 857(b)(3)(D) from Form 2438, line 11.

Line 12. The REIT must use electronic funds transfers to make all federal tax deposits (such as deposits of employment tax, excise tax, and corporate income tax). Generally, electronic funds transfers are made using the Electronic Federal Tax Payment System (EFTPS). However, if you don't want to use EFTPS, you can arrange for your tax professional, financial institution, payroll service, or other trusted third party to make deposits on your behalf. EFTPS is a free service provided by the Department of the Treasury. Services provided by your tax professional, financial institution, payroll service, or other third party may have a fee.

For more information about EFTPS, or to enroll in EFTPS, visit the EFTPS website at www.eftps.gov or call 800-555-4477. To contact EFTPS using Telecommunications Relay Services (TRS) for people who are deaf, hard of hearing, or have a speech disability, dial 711 and then provide the TRS assistant the 800-555-4477 number above or 800-733-4829.

Depositing on time. For any deposit made by EFTPS to be on time, the REIT must submit the deposit by 8 p.m. Eastern time on the day before the date the deposit is due. If the REIT uses a third party to make the deposits on its behalf, they may have different cutoff times.
