Thank you for completing the External Dependency Management post-assessment questionnaire. For more information about this questionnaire or the Cybersecurity Advisors Program, please contact Tara Brewer at cyberadvisor@hq.dhs.gov

Cybersecurity Motivation

What was your organization's motivation to participate in the EDM? (select all that apply)

☐ Validate a Finding

☐ Review Compliance

☐ Response to Incident within Organization

☐ Reinforce Standards

☐ Proactive Cybersecurity Assessment/Start of Improvement Effort

☐ Obtain Professional Third-Party Opinion of Cyber Defenses

☐ Response to Incident within Industry

☐ Other:

Assessment Impact

In which of the following EDM domains has your organization planned, scheduled, or implemented at least one improvement?

	N/A	Planned	Scheduled	Implemented
Relationship Formation Evaluating and controlling the risks of relying on external entities				
Management and Governance Managing ongoing relationships				
Service Protection and Sustainment Accounting for dependence on external parties during incidents, disruptions, and threats				

As a result of the EDM, has your organization...

Improved its allocation of its overall IT and/or cybersecurity budget?

Yes | No

Established or changed your targeted cybersecurity posture?

Yes | No

Shared cybersecurity information with external parties?

Yes | No

If Yes, what information is shared:

☐ Lessons Learned   ☐ Best Practices   ☐ Training Tips

☐ Other:

Leveraged the NIST Cybersecurity Framework?

Yes | No

Please provide a brief explanation for any improvements or changes listed above:

Quality of Assessment & Report

Did DHS establish expectations through EDM preparations?   Yes | No

	Strongly Agree	Neither Agree nor Disagree	Strongly Disagree	Explanation:
The EDM report was comprehensible, readable, and usable.				
The EDM report was valuable.				
The EDM met my organization's expectations.				

How could the EDM be improved?

How could the EDM *report* be improved?

Next Steps

Is your organization interested in participating in additional DHS cyber assessments or other services? (select all that apply)

A Re-Assessment of the Same Critical Service:

☐ Cyber Resilience Review (CRR)

☐ External Dependencies Management (EDM)

☐ Cyber Infrastructure Survey (CIS)

A New Assessment of a Different Critical Service:

☐ Cyber Resilience Review (CRR)

☐ External Dependencies Management (EDM)

☐ Cyber Infrastructure Survey (CIS)

Another DHS Service:

☐ Phishing Campaign Assessment

☐ Network Risk and Vulnerability Assessment

☐ Cybersecurity Evaluation Tool

☐ Industrial Control Systems Evaluation

☐ Cyber Hygiene Scanning
