Federal Student Aid Eligibility

Colleges use your Student Aid Index (SAI) to determine how much financial aid you could receive if you attended their school. Financial aid may include grants (free funds that do not have to be repaid), work-study (paid part-time employment), and/or low-interest loans (borrowed funds that must be repaid). Your SAI is subject to change if you update or correct your FAFSA information.

Your financial aid package could also include other federal, state, or institutional aid. Your school's financial aid office will tell you the specific types and amounts of aid you can receive. For more information about the SAI and the types and sources of aid, go to StudentAid.gov.

The Internal Revenue Service (IRS) offers tax benefits to help you maximize your college savings or recover some of the money you spend on tuition or loan interest. For more information, visit StudentAid.gov/resources/tax-benefits.

Review the checked boxes.

- ☑ It appears **you may be eligible** for a Federal Pell Grant of up to \$9999, provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program. You may also be eligible for other grants, work-study opportunities, and low-interest student loans.
- ☑ We sent your information to other federal agencies to verify your eligibility for federal student aid and there appears to be an issue with the information provided on your application. Review the checklist on page 2 for instructions on how to resolve these issues.
- ☑ It appears that **you may be eligible** for a Federal Pell Grant of up to \$7,395 if you are enrolled full-time. Additional Pell Grant funds may be available if you are continuously enrolled (i.e., attending summer term). Your grant may be adjusted if you meet or exceed the lifetime limit established for the Federal Pell Grant program.

Special or Unusual Circumstances

If you or your family have experienced special or unusual circumstances that impact your ability to pay for school, you may be eligible for an adjustment on your FAFSA form. Federal Student Loan Summary

The table below shows the total amounts of federal (*Title IV*) student loans that you owe, as reported by your loan servicers. Confirm that these amounts are correct by signing in to <u>StudentAid.gov</u> and viewing the details for each loan. If you feel the amounts below are incorrect, or you have questions about a loan, contact the loan servicer indicated on <u>StudentAid.gov</u>. You can find general information about each loan type below at <u>StudentAid.gov/loans</u>.

The "Subsidized" and "Unsubsidized" amounts include those portions of any consolidation loans you have. If there is an amount listed for Federal Family Education Loan (FFEL) Program "Unallocated Consolidation Loans," we could not determine whether those balances were subsidized or unsubsidized.

Remember, you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a 10-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course, your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and the length of your repayment term.

Federal Tax Information (FTI) Consent and Approval

By filling in the circle ("accepting") and providing my signature within this summary, I consent to the disclosure of information about me, as described below, and further affirmatively approve of the receipt and use of my Federal tax information (FTI) and to the U.S. Department of Education's redisclosure of my FTI, as described below. By accepting within this summary, I consent to and affirmatively approve of, as applicable, the following:

- 1. The U.S. Department of Education may disclose my Social Security number (SSN)/Taxpayer Identification Number (TIN), last name, date of birth, unique identifier, the tax year for which FTI is required, and the date and timestamp of my approval for the use of my FTI in determining eligibility by ED for which approval is provided to the U.S. Department of the Treasury, Internal Revenue Service (IRS). I understand that in response to such a request from the U.S. Department of Education, the IRS shall then disclose my FTI to "authorized persons" (i.e., specifically designated officers and employees of the U.S. Department of Education and its contractors (as defined in 26 U.S.C. § 6103(I)(13)(E)) for the purpose of determining eligibility for, and the amount of, Federal student aid under a program authorized under subpart 1 of part A, part C, or part D of title IV of the Higher Education Act of 1965, as amended, for myself or an applicant for Federal student aid who has requested that I share my FTI on their Free Application for Federal Student Aid (FAFSA*) form.
- 2. Authorized persons at the U.S. Department of Education and its contractors (as defined in 26 U.S.C. § 6103(I)(13)(E)) may use my FTI for the purpose of determining the eligibility for, and amount of, Federal student aid under a program authorized under subpart 1 of part A, part C, or part D of *title IV* of the *Higher Education Act of 1965*, as amended, for myself or a FAFSA applicant who has requested that I share my FTI on the FAFSA form.
- 3. The U.S. Department of Education may redisclose my FTI received from the IRS pursuant to 26 U.S.C. § 6103(I)(13)(D)(iii) to the following entities solely for the use in the application, award, and administration of financial aid:
 - Institutions of higher education participating in the Federal student aid programs authorized under subpart 1 of part A, part C, or part D of *title IV* of the *Higher Education Act of 1965*, as amended;
 - · State higher education agencies;
 - · Scholarship organizations designated prior to December 19, 2019, by the Secretary of Education; and
 - Contractors of institutions of higher education and State higher education agencies to administer aspects of the institution's or State agency's activities for the application, award, and administration of such financial aid.
- 4. The U.S. Department of Education may redisclose my FTI to another FAFSA applicant's FAFSA form(s) for which I elect to participate. By accepting an invitation and affirmation to participate in another individual's FAFSA form, my FTI will be redisclosed to the additional application. I understand that I may decline an invitation to participate, which will prevent the transfer of my FTI to that FAFSA form.

By consenting and providing my affirmative approval, I further understand that:

- 1. My consent and affirmative approval are required, as a condition of my eligibility or the eligibility of a FAFSA applicant who has requested that I share my FTI on their FAFSA form, for Federal student aid under a program authorized under subpart 1 of part A, part C, or part D of *title IV* of the *Higher Education Act of 1965*, as amended, even if I did not file a U.S. Federal tax return.
- 2. I am providing my written consent for the redisclosure of my FTI by the U.S. Department of Education to include, but not limited to, institutions of higher education, State higher education agencies, designated scholarship organizations, their respective contractors and auditors, other family members participating in the FAFSA form, Office of Inspector General, under 26 U.S.C. § 6103(I)(13)(D), and with my further express written consent obtained by an institution of higher education, the redisclosure of FAFSA information pursuant to the terms and conditions of 20 U.S.C. § 1098h(c).
- 3. Any FTI received from the IRS at a later date shall supersede any manually entered financial or income information on the FAFSA form.
- 4. The U.S. Department of Education may request updated FTI from the IRS once my consent is provided. If FTI has changed (e.g., amended tax return filed with revised information), then eligibility for, and amounts of, Federal, State, and institutional financial aid may change.
- 5. If I do not consent to the redisclosure of my FTI to institutions of higher education, State higher education agencies, designated scholarship organizations, and their respective contractors, the U.S. Department of Education will be unable to calculate my eligibility for Federal student aid or the eligibility of a FAFSA applicant who has requested that I share my FTI on their FAFSA form.
