AGENCY: Office of State and Community Energy Programs, Department of Energy.

ACTION: Notice and request for comments; correction.

SUMMARY: On October 26, 2022, the Department of Energy (DOE), published a 30-day notice in the **Federal Register** that announced intent to extend for three years a currently approved collection of information with the Office of Management and Budget (OMB). This document makes a correction to that notice.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection

instrument and instructions should be directed to Brittany Price, EE-5W, U.S. Department of Energy, 1000 Independence Ave. SW, Washington, DC 20585-0121 or by email or phone at brittany.price@hq.doe.gov, (240) 306-7252.

Corrections

In the **Federal Register** of October 26, 2022, in FR Doc. 2022-23240, on page 64783, please make the following correction:

In that notice under **SUPPLEMENTARY INFORMATION**, first column, first paragraph, (8) *Annual Estimated Reporting and Recordkeeping Cost Burden* has changed. The original (8) *Annual Estimated Reporting and Recordkeeping Cost Burden* was "\$366,824.64". The new (8) *Annual Estimated Reporting and Recordkeeping Cost Burden* is "\$430,003.44".

Reason for Correction: The previous hourly wage rate for state government financial personnel that was used to calculate the estimated cost burden for recipients was adjusted to the fully burdened rate, which led to the change in total cost that is reflected by this correction.
