

**HUD Form #9003-ORCF, Lender Narrative – Section 232/241(a) Supplemental  
Loan**

<b>LOCATION</b>	<b>CURRENT TEXT</b>	<b>REVISED TEXT</b>
p. 30	<< <i>Provide narrative discussion regarding how the above amounts were determined.</i> >>	<p data-bbox="927 380 1370 485">&lt;&lt;<i>Provide narrative discussion regarding how the above amounts were determined.</i>&gt;&gt;</p> <p data-bbox="927 527 1433 1247">For Green MIP projects, the replacement reserve schedule must specify all appliances and heating and air conditioning systems as ENERGY STAR® when replaced. For lighting, electrical, and mechanical equipment, and building envelope components with no available ENERGY STAR® label, the replacement reserve schedule must specify high performance and/or sustainable replacements. To meet the ongoing obligations with respect to the Green MIP, if the existing replacement reserve schedule does not specify replacement with ENERGY STAR® label items or high performance and/or sustainable items, as applicable, submit a new PCNA with an updated Reserve for Replacement schedule.</p>
