

VA Office of Construction and Facilities Management
Stakeholder Feedback Survey for the
(PROJECT NAME)

Welcome

Thank you for participating in the Construction & Facilities Management Stakeholder Feedback survey. We are committed to providing the highest quality facilities to veterans. Toward this end, we have improved our ability to collect meaningful performance feedback from stakeholders at all levels, across organizations, internal and external to VA.

You play an important role on the (PROJECT NAME). Your voluntary participation in this survey will provide CFM with valuable insights, which we will use to improve performance on your project and others. Only you can provide the feedback on your personal experiences and observations, and we need to hear from you.

I strongly encourage you to take 5-10 minutes to complete this critical survey by *Date, Month, Year*.

CFM now collects feedback on major construction projects quarterly. Please think about the teams you worked with on this project over the past three months when you answer the questions.

All responses to the survey are completely confidential, so please be completely candid in your responses.

If you experience challenges accessing the survey, have questions, or would like to relay a concern, please contact Sandra Martin, Program Manager, at sandra.martin2@va.gov.

Thank you very much for your feedback.

Sincerely,

(LEADERSHIP SIGNATURE BLOCK)

Respondent Burden: Title 38, United States Code, allows us to ask for this information. We estimate that you will need an average of 8 minutes to review the instructions, find the information, and complete this survey. VA cannot conduct or sponsor a collection of information unless a valid OMB control number is displayed. You are not required to respond to a collection of information if this number is not displayed. Valid OMB control numbers can be located on the OMB Internet Page at www.reginfo.gov/public/do/PRAMain. If desired, you can call 1-800-827-1000 to get information on where to send comments or suggestions about this survey.
