By registering you agree to all [SBA.gov](#) policies and disclaimers, including those specifically related to the Ascent platform, located [here](#).

PURPOSE: The Small Business Administration (SBA) has developed a new e-learning and networking platform for women entrepreneurs interested in accessing resources to support growing an existing business. Anyone can access the content on the system; however, to access all system features and benefits, users must create an account by completing the items marked with an asterisk (*) on the Registration Form. Registered users have the ability to interact with the learning platform by commenting, posting, discussing, rating, and creating a user profile. The information collection will enable SBA to better determine who is using the platform and the scope of their participation, and to develop a platform that would enable the user to tailor delivery of content to meet their needs. The information will also facilitate user connectivity to relevant resources (e.g., peer-to-peer learning, networking, mentoring).

The information provided will be protected to the extent permitted by law, including the Freedom of Information Act and the Privacy Act. Personally identifiable information that is used to retrieve information on any individual responding to this or other request for information related to SBA training resources is maintained in SBA's Privacy Act System of Records, SBA - 5 Business and Community Initiatives.

NOTE: According to the Paperwork Reduction Act, you are not required to respond to the questions asked on this registration form unless it displays a valid OMB Control Number. The estimated time to complete this registration is 8 minutes, including time for reading the instructions. Send comments regarding this estimated time, or any other aspect of this survey to the Chief, Records Management Division, Small Business Administration, 409 Third Street, SW.
