

## CROSSWALK DOCUMENT FOR CMS 10110

#	FORM#	CHANGE	RATIONALE
1	Supporting Statement A	<p>Supporting document details were updated to reflect more accurate estimates of burden and the number of respondents.</p> <ul style="list-style-type: none"> <li>The number of respondents was increased to 480 from 300.</li> </ul>	<p>CMS revised the cost burden and reporting estimates to allow for an increase in the number of respondents due to the new provision that extended ASP reporting requirements to manufacturers without Medicaid Drug Rebate Agreements. Previously, ASP reporting was only required for manufacturers of drugs or biologicals payable under Part B with a Medicaid rebate agreement.</p>
2	ASP User Guide	<p>Updated language in section 1. Introduction and added a chart to section 3. ASP Application Home Page.</p>	<p>CMS updated some outdated language about the purpose of ASP and processes of the ASP application. The chart added to section 3 depicts the actual landing page that is shown when users enter the FFSDCS in the portal because there are now 3 applications housed within the FFSDCS, not just ASP.</p>
