### **Section GG**

### **Functional Abilities and Goals** - Admission

**GG0130. Self-Care** (Assessment period is the first 3 days of the stay)

Complete if A0310A = 01 or A0310B = 01. If A0310B = 01, the stay begins on A2400B **and** both columns are required. If A0310B = 99, the stay begins on A1600 **and** only column 1 is required.

Code the resident's usual performance at the start of the stay (admission) for each activity using the 6-point scale. If activity was not attempted at the start of the stay (admission), code the reason. Code the resident's end of SNF PPS stay (discharge) goal(s) using the 6-point scale. Use of codes 07, 09, 10, or 88 is permissible to code end of SNF PPS stay (discharge) goal(s).

#### Coding:

**Safety** and **Quality of Performance** - If helper assistance is required because resident's performance is unsafe or of poor quality, score according to amount of assistance provided.

Activities may be completed with or without assistive devices.

- 06. **Independent** Resident completes the activity by themself with no assistance from a helper.
- 05. **Setup or clean-up assistance** Helper sets up or cleans up; resident completes activity. Helper assists only prior to or following the activity.
- 04. **Supervision or touching assistance** Helper provides verbal cues and/or touching/steadying and/or contact guard assistance as resident completes activity. Assistance may be provided throughout the activity or intermittently.
- 03. **Partial/moderate assistance** Helper does LESS THAN HALF the effort. Helper lifts, holds, or supports trunk or limbs, but provides less than half the effort.
- 02. **Substantial/maximal assistance** Helper does MORE THAN HALF the effort. Helper lifts or holds trunk or limbs and provides more than half the effort.
- 01. **Dependent** Helper does ALL of the effort. Resident does none of the effort to complete the activity. Or, the assistance of 2 or more helpers is required for the resident to complete the activity.

- 07. Resident refused
- 09. Not applicable Not attempted and the resident did not perform this activity prior to the current illness, exacerbation, or injury.
- 10. Not attempted due to environmental limitations (e.g., lack of equipment, weather constraints)
- 88. Not attempted due to medical condition or safety concerns

1. Admission Performance	2. Discharge Goal	
<b>↓</b> Enter Code	es in Boxes 👃	
		<b>A. Eating:</b> The ability to use suitable utensils to bring food and/or liquid to the mouth and swallow food and/or liquid once the meal is placed before the resident.
		<b>B. Oral hygiene:</b> The ability to use suitable items to clean teeth. Dentures (if applicable): The ability to insert and remove dentures into and from the mouth, and manage denture soaking and rinsing with use of equipment.
		C. Toileting hygiene: The ability to maintain perineal hygiene, adjust clothes before and after voiding or having a bowel movement. If managing an ostomy, include wiping the opening but not managing equipment.
		E. Shower/bathe self: The ability to bathe self, including washing, rinsing, and drying self (excludes washing of back and hair). Does not include transferring in/out of tub/shower.
		F. Upper body dressing: The ability to dress and undress above the waist; including fasteners, if applicable.
		<b>G. Lower body dressing:</b> The ability to dress and undress below the waist, including fasteners; does not include footwear.
		H. Putting on/taking off footwear: The ability to put on and take off socks and shoes or other footwear that is appropriate for safe mobility; including fasteners, if applicable.

### **Section GG**

# Functional Abilities and Goals - Admission

**GG0170. Mobility** (Assessment period is the first 3 days of the stay)

Complete if A0310A = 01 or A0310B = 01. If A0310B = 01, the stay begins on A2400B **and** both columns are required. If A0310B = 99, the stay begins on A1600 **and** only column 1 is required.

Code the resident's usual performance at the start of the stay (admission) for each activity using the 6-point scale. If activity was not attempted at the start of the stay (admission), code the reason. Code the resident's end of SNF PPS stay (discharge) goal(s) using the 6-point scale. Use of codes 07, 09, 10, or 88 is permissible to code end of SNF PPS stay (discharge) goal(s).

#### Coding:

**Safety** and **Quality of Performance** - If helper assistance is required because resident's performance is unsafe or of poor quality, score according to amount of assistance provided.

Activities may be completed with or without assistive devices.

- 06. **Independent** Resident completes the activity by themself with no assistance from a helper.
- 05. **Setup or clean-up assistance** Helper sets up or cleans up; resident completes activity. Helper assists only prior to or following the activity.
- 04. **Supervision or touching assistance** Helper provides verbal cues and/or touching/steadying and/or contact guard assistance as resident completes activity. Assistance may be provided throughout the activity or intermittently.
- 03. **Partial/moderate assistance** Helper does LESS THAN HALF the effort. Helper lifts, holds, or supports trunk or limbs, but provides less than half the effort.
- 02. **Substantial/maximal assistance** Helper does MORE THAN HALF the effort. Helper lifts or holds trunk or limbs and provides more than half the effort.
- 01. **Dependent** Helper does ALL of the effort. Resident does none of the effort to complete the activity. Or, the assistance of 2 or more helpers is required for the resident to complete the activity.

- 07. Resident refused
- 09. Not applicable Not attempted and the resident did not perform this activity prior to the current illness, exacerbation, or injury.
- 10. Not attempted due to environmental limitations (e.g., lack of equipment, weather constraints)
- 88. Not attempted due to medical condition or safety concerns

If the sum of individual, concurrent, and group minutes is zero, → skip to O0425B, Occupational Therapy

**4. Co-treatment minutes** - record the total number of minutes this therapy was administered to the resident in **co-treatment sessions** since the start date of the resident's most recent Medicare Part A stay (A2400B)

5. Days - record the number of days this therapy was administered for at least 15 minutes a day since the start date of the resident's most recent Medicare Part A stay (A2400B)

B. Occupational Therapy

1. Individual minutes - record the total number of minutes this therapy was administered to the resident individually since the start date of the resident's most recent Medicare Part A stay (A2400B)

 Concurrent minutes - record the total number of minutes this therapy was administered to the resident concurrently with one other resident since the start date of the resident's most recent Medicare Part A stay (A2400B)

3. Group minutes - record the total number of minutes this therapy was administered to the resident as part of a group of residents since the start date of the resident's most recent Medicare Part A stay (A2400B)

If the sum of individual, concurrent, and group minutes is zero, → skip to O0425C, Physical Therapy

**4. Co-treatment minutes** - record the total number of minutes this therapy was administered to the resident in **co-treatment sessions** since the start date of the resident's most recent Medicare Part A stay (A2400B)

5. Days - record the **number of days** this therapy was administered for **at least 15 minutes** a day since the start date of the resident's most recent Medicare Part A stay (A2400B)

C. Physical Therapy

1. Individual minutes - record the total number of minutes this therapy was administered to the resident individually since the start date of the resident's most recent Medicare Part A stay (A2400B)

 Concurrent minutes - record the total number of minutes this therapy was administered to the resident concurrently with one other resident since the start date of the resident's most recent Medicare Part A stay (A2400B)

3. Group minutes - record the total number of minutes this therapy was administered to the resident as part of a group of residents since the start date of the resident's most recent Medicare Part A stay (A2400B)

If the sum of individual, concurrent, and group minutes is zero, -> skip to O0430, Distinct Calendar Days of Part A Therapy

4. Co-treatment minutes - record the total number of minutes this therapy was administered to the resident in co-treatment sessions since the start date of the resident's most recent Medicare Part A stay (A2400B)

5. Days - record the number of days this therapy was administered for at least 15 minutes a day since the start date of the resident's most recent Medicare Part A stay (A2400B)

#### **00430. Distinct Calendar Days of Part A Therapy**

Complete only if A0310H = 1

**Enter Number of Days** 

Record the number of **calendar days** that the resident received Speech-Language Pathology and Audiology Services, Occupational Therapy, or Physical Therapy for at least 15 minutes since the start date of the resident's most recent Medicare Part A stay (A2400B)
