COVID-19 Remote Hearing Options

Due to COVID-19, our hearing offices are offering telephone and online video hearings, in addition to in-person and video teleconference (VTC) hearings. An online video hearing is a hearing that we hold over the internet, and you may participate from any private location you prefer. We are currently using the online user-friendly platform Microsoft Teams for online video hearings, as explained in more detail below. We will not hold your hearing by telephone or by online video unless you agree to appear in that manner.

Please note that appearing at a hearing by online video is different from appearing at a hearing by VTC at a Social Security office. Unlike a hearing by VTC at a Social Security office, we will only conduct a hearing by online video if you agree to appear in that manner. Additionally, if you tell us that you agree to appear at a hearing by online video but then change your mind, you can let us know that and we will reschedule your hearing as an in-person hearing or VTC hearing (if you have not timely objected to a VTC hearing).

<if Rep=false>There are two ways you can tell us that you agree to appear at a hearing by telephone or by online video. First, you may call us at the telephone number at the top of this notice. Second, you can complete the enclosed COVID-19 Remote Hearing Agreement Form and return it to us by mail or fax using the address or fax number at the top of this notice. <endif>

<if Rep=true>**How to return the COVID-19 Remote Hearing Agreement Form to us**

We recommend that you contact your appointed representative to ask him or her to return the completed COVID-19 Remote Hearing Agreement Form to us as soon as possible. If you are unable to sign the Form, your representative may sign for you.

Information for Representatives only: Representatives who have registered through Appointed Representative Services (ARS) should continue to use the “**Upload New File**” function. That function is available to upload documents, including the COVID-19 Remote Hearing Agreement Form, when a representative views an electronic folder in ARS. The “Upload New File” function does not require a barcode. If registered through ARS, representatives can also submit documents with a barcode using the “Send Individual Response” function in ARS and Electronic Records Express (ERE). We highly recommend that representatives use one of these methods to submit any documents to us electronically, whenever possible. For information and user guides related to the use of ARS for electronic submission of documents, visit www.ssa.gov/ar/.

Alternatively, a representative may return the COVID-19 Remote Hearing Agreement Form to us by mail or fax, using the address at the top of this notice or the toll-free fax number with area code “833” assigned to the servicing hearing office. For a specific hearing office’s designated fax number, visit www.ssa.gov/appeals/ho_locator.html.

Important information about appearing at a hearing by online video

As stated above, please review the enclosed publication titled “Online Video Hearings at the Social Security Administration” before deciding whether you agree to appear at a hearing by online video.

If you agree to appear at a hearing by online video, we will provide you with instructions on how to participate in the hearing, and we will email you a meeting invite and link that allows you to

access the hearing directly. We also will provide instructions on how to download and use Microsoft Teams, as well as provide technical assistance on the day of the video hearing if necessary.

If you choose to use a smartphone to join the online video hearing, you must ensure that the phone is Wi-Fi accessible and compatible with the web-based Microsoft Teams technology. On the day of the hearing, we may call you at the phone number(s) provided to confirm that you are able to access the online video hearing.

As a reminder, you cannot make an audio or video recording, or take photographs or screenshots, of the hearing.

Before the hearing, you must download the Microsoft Teams application from the App Store or Google Play and install it on a personal mobile device, or you must access the hearing from a supported internet browser if using a desktop or laptop. Standard data charges may apply when downloading the Microsoft Teams application. Once you install the application, you may access the online video hearing directly using the meeting invite link and instructions we provide.

Please note that Microsoft Teams is a third-party application. To participate in an online video hearing, you may be asked to agree to Microsoft's terms of use and privacy policies, which we do not control. Our Internet Privacy Policy, which describes our online information practices is available at www.ssa.gov/agency/privacy.html, and does not apply to Microsoft Teams.

Reviewing evidence when you appear by telephone or by online video

You will have an opportunity to review the evidence before the hearing. If you have a *my* Social Security account, we can send you a copy of your electronic file via the *my* Social Security Message Center. Please ensure that you have turned on notifications to receive an alert from the *my* Social Security Message Center when the file is ready for your review. If you do not have a *my* Social Security account, you can create one at www.ssa.gov/myaccount/ by clicking the "Create an Account" button. In addition to providing access to view the evidence in your file, a *my* Social Security account allows you to check the status of your application, and the date and time of your hearing, after it is scheduled. Please note that you must be at least 18 years of age to create a *my* Social Security account, and you may not create an account for another person, including a child under age 18.

< if Rep=true > Additionally, your representative may be able to access the evidence electronically for you.

If you do not have a *my* Social Security account, you do not wish to create one, and your representative does not have electronic access to the evidence, we can email you a copy of the electronic claim file in an encrypted email attachment. Please call us at the telephone number in the heading of this notice if you would like us to send you a copy of the claim file by email. **< endif >**

< if Rep=false > If you are unable to or do not want to create a *my* Social Security account, we can email you a copy of your electronic claim file in an encrypted email attachment. Please call

Protecting Your Privacy

We will collect and maintain personally identifiable information you share with us during the hearing to make a decision on your claim. For online video hearings, an administrative law judge (ALJ) will conduct the hearing from a private location. The ALJ and other SSA employees will safeguard your personal information during an online video hearing. For example, agency employees will use a secure headset and computer. We recommend that you use a private internet connection, in a private location such as a home or office, when participating in an online video hearing.

How to appoint <if Rep=true>an additional<else>a<endif> representative to assist you with your claim

If you want to appoint <if Rep=true>an additional<else>a<endif> representative to help you in your claim, you need to give us a signed notice of appointment, such as the SSA-1696, Claimant's Appointment of a Representative. We highly recommend that you or the representative who you want to appear at your hearing give us the notice of appointment before the hearing.

We now offer an online form for appointing a representative, which provides an online option for completing, signing, and submitting form SSA-1696 to us. The representative who you want to appoint begins the online form SSA-1696 by providing us information, including valid email addresses for you and the representative, and by electronically signing the form. You will then receive an email notifying you to complete the process by reviewing the information provided by the representative and electronically signing and submitting the online form to us. Once begun, you and the representative you want to appoint will have five calendar days to complete the online appointment process. To learn more and use the new online form, please visit www.ssa.gov/ssa1696-online-form.

If you prefer, you may complete the form SSA-1696, or other written notice of appointment, and mail or fax it to us. You can find the form SSA-1696 on our website at www.ssa.gov/forms/ssa-1696.pdf. Please use the mailing address, or fax number at the top of this notice.
