Control Number: 0970-0558**

TITLE OF INFORMATION COLLECTION: Office of Refugee Resettlement Refugee Family Child Care Microenterprise Development File Requirements

PURPOSE: The Administration for Children and Families (ACF) Office of Refugee Resettlement (ORR) requires Refugee Family Child Care Microenterprise Development (RFCCMED) Program funding recipients to keep records of documents related to grant spending and performance of program-related activities. This specific record keeping requirement allows ORR to specify records RFCCMED program funding recipients must keep. Through monitoring activities, ORR will ensure that the necessary records are kept by funding recipients.

This information collection aligns with the overarching generic for monitoring activities, which specifically states that the information collected will allow ACF to:

- Monitor compliance with federal practice, guidelines and requirements
- Have flexible and responsive oversight of federal funds
- Provide support as needed

The proposed uses of the data also align with the overarching generic, which specifies that program offices will use information collected under this generic clearance to monitor funding recipient activities, including assessing progress towards meeting Notice of Funding Opportunity (NOFO) objectives and confirmation of compliance with grant requirements.

This is a record keeping requirement; information will not be collected by ORR.
