VCC Administrator Feedback

Please indicate the primary reason(s) which led to the discontinuation of VCC use by your agency (select all that apply):

- We did not find the features offered by the VCC to be aligned with the agency's critical information/emergency management needs
- The agency's needs were better met through alternative emergency management products
- There were functional/performance issues when the agency tried to use the VCC (e.g., too slow, did not work properly)
- Users had difficulty accessing the VCC/access was too cumbersome
- Other (please specify)
- Users had difficulty navigating the VCC platform/the site was not user-friendly
- Users were unfamiliar with the VCC features/ too confusing
- The agency had policy or security concerns with the data being shared through the VCC
