TITLE OF INFORMATION COLLECTION: Diversion Control Division Information Technology Modernization Effort

PURPOSE: In accordance with the Controlled Substance Act (CSA), every person who manufactures, distributes, dispenses, conducts research with, imports, or exports any controlled substance to obtain a registration issued by the Attorney General. 21 U.S. 822, 823, and 957. This proposed collection would allow DEA to collect information to help improve the applications developed for DEA registrants. DEA would be collecting information regarding the registrant’s business activity categories, the applications they use and the frequency which they use the applications. The registrants would be rating the usefulness and performance of various applications. They would also be able to give open ended comments and suggestions regarding their experience with the applications. The proposed survey would also ask questions about registrants’ experience with the DEA Diversion Control Division’s website and the Support Center.

DESCRIPTION OF RESPONDENTS:

Applications created by the Diversion Control Division’s for DEA registrants. The proposed survey would also ask questions about the Diversion Control Division’s website. They would be able to state how they use the website and then rank the ease, efficiency, speed, and use of the various interactions that they have with the website. This proposed collection would also allow registrants to have the chance to rank the usefulness, effectiveness, and efficiency of the Support Center. Again, registrants would be able to provide additional comments for the website and the support center in two separate open fields.
