# Request for Approval under the "Generic Clearance for the Collection of Routine Customer Feedback" (OMB Control Number: 1557-0248)

## TITLE OF INFORMATION COLLECTION:

Office of the Comptroller of the Currency - Office of Public Affairs - Outreach Coordination Program

#### **PURPOSE:**

The purpose of the data collection is to assess the effectiveness of the OMWI technical assistance outreach program. Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (12 USC 5452), the OMWI agencies are required to develop standards for coordinating technical assistance to minority- and women-owned businesses. This collection of information will seek routine customer feedback about the OMWI technical assistance efforts.

The customer feedback survey will be conducted approximately one-week after the participants participate in the OMWI Vendor Technical Assistance Event "Connections That Count."

## **DESCRIPTION OF RESPONDENTS:**

**TYPE OF COLLECTION:** (Check one)

Businesses (also known as vendors) will participate in a 6 hour event to learn about doing business with federal financial regulators, considerations for successful teaming, blueprint for growth, and federal contracting opportunities available for small businesses. The event is intended to provide technical assistance for small businesses and women- and minority-owned businesses interested in beginning or increasing their contract opportunities with the federal government through a better understanding of the procurement process.

We anticipate approximately 300 businesses will participate (mostly small business and/or minority- and women-owned businesses). All businesses who participate will receive the voluntary customer feedback request.
