Title 3—**Executive Order 13549 of August 18, 2010****The President****Classified National Security Information Program for State, Local, Tribal, and Private Sector Entities**

By the authority vested in me as President by the Constitution and the laws of the United States of America, in order to ensure the proper safeguarding of information shared with State, local, tribal, and private sector entities, it is hereby ordered as follows:

Section 1. *Establishment and Policy.*

Sec. 1.1. There is established a Classified National Security Information Program (Program) designed to safeguard and govern access to classified national security information shared by the Federal Government with State, local, tribal, and private sector (SLTPS) entities.

Sec. 1.2. The purpose of this order is to ensure that security standards governing access to and safeguarding of classified material are applied in accordance with Executive Order 13526 of December 29, 2009 (“Classified National Security Information”), Executive Order 12968 of August 2, 1995, as amended (“Access to Classified Information”), Executive Order 13467 of June 30, 2008 (“Reforming Processes Related to Suitability for Government Employment, Fitness for Contractor Employees, and Eligibility for Access to Classified National Security Information”), and Executive Order 12829 of January 6, 1993, as amended (“National Industrial Security Program”). Procedures for uniform implementation of these standards by SLTPS entities shall be set forth in an implementing directive to be issued by the Secretary of Homeland Security within 180 days of the date of this order, in consultation with affected executive departments and agencies (agencies), and with the concurrence of the Secretary of Defense, the Attorney General, the Director of National Intelligence, and the Director of the Information Security Oversight Office.

Sec. 1.3. Additional policy provisions for access to and safeguarding of classified information shared with SLTPS personnel include the following:

(a) Eligibility for access to classified information by SLTPS personnel shall be determined by a sponsoring agency. The level of access granted shall not exceed the Secret level, unless the sponsoring agency determines on a case-by-case basis that the applicant has a demonstrated and foreseeable need for access to Top Secret, Special Access Program, or Sensitive Compartmented Information.

(b) Upon the execution of a non-disclosure agreement prescribed by the Information Security Oversight Office or the Director of National Intelligence, and absent disqualifying conduct as determined by the clearance granting official, a duly elected or appointed Governor of a State or territory, or an official who has succeeded to that office under applicable law, may be granted access to classified information without a background investigation in accordance with the implementing directive for this order. This authorization of access may not be further delegated by the Governor to any other person.

(c) All clearances granted to SLTPS personnel, as well as accreditations granted to SLTPS facilities without a waiver, shall be accepted reciprocally by all agencies and SLTPS entities.

(d) Physical custody of classified information by State, local, and tribal (SLT) entities shall be limited to Secret information unless the location

housing the information is under the full-time management, control, and operation of the Department of Homeland Security or another agency. A standard security agreement, established by the Department of Homeland Security in consultation with the SLTPS Advisory Committee, shall be executed between the head of the SLT entity and the U.S. Government for those locations where the SLT entity will maintain physical custody of classified information.

(e) State, local, and tribal facilities where classified information is or will be used or stored shall be inspected, accredited, and monitored for compliance with established standards, in accordance with Executive Order 13526 and the implementing directive for this order, by the Department of Homeland Security or another agency that has entered into an agreement with the Department of Homeland Security to perform such inspection, accreditation, and monitoring.

(f) Private sector facilities where classified information is or will be used or stored shall be inspected, accredited, and monitored for compliance with standards established pursuant to Executive Order 12829, as amended, by the Department of Defense or the cognizant security agency under Executive Order 12829, as amended.

(g) Access to information systems that store, process, or transmit classified information shall be enforced by the rules established by the agency that controls the system and consistent with approved dissemination and handling markings applied by originators, separate from and in addition to criteria for determining eligibility for access to classified information. Access to information within restricted portals shall be based on criteria applied by the agency that controls the portal and consistent with approved dissemination and handling markings applied by originators.

(h) The National Industrial Security Program established in Executive Order 12829, as amended, shall govern the access to and safeguarding of classified information that is released to contractors, licensees, and grantees of SLT entities.

(i) All access eligibility determinations and facility security accreditations granted prior to the date of this order that do not meet the standards set forth in this order or its implementing directive shall be reconciled with those standards within a reasonable period.

(j) Pursuant to section 4.1(i)(3) of Executive Order 13526, documents created prior to the effective date of Executive Order 13526 shall not be re-disseminated to other entities without the consent of the originating agency. An agency head or senior agency official may waive this requirement for specific information that originated within that agency.

Sec. 2. Policy Direction. With policy guidance from the National Security Advisor and in consultation with the Director of the Information Security Oversight Office, the Director of the Office of Management and Budget, and the heads of affected agencies, the Secretary of Homeland Security shall serve as the Executive Agent for the Program. This order does not displace any authorities provided by law or Executive Order and the Executive Agent shall, to the extent practicable, make use of existing structures and authorities to preclude duplication and to ensure efficiency.

Sec. 3. SLTPS Policy Advisory Committee. (a) There is established an SLTPS Policy Advisory Committee (Committee) to discuss Program-related policy issues in dispute in order to facilitate their resolution and to otherwise recommend changes to policies and procedures that are designed to remove undue impediments to the sharing of information under the Program. The Director of the Information Security Oversight Office shall serve as Chair of the Committee. An official designated by the Secretary of Homeland Security and a representative of SLTPS entities shall serve as Vice Chairs of the Committee. Members of the Committee shall include designees of the heads of the Departments of State, Defense, Justice, Transportation, and Energy, the Nuclear Regulatory Commission, the Office of the Director of

National Intelligence, the Central Intelligence Agency, and the Federal Bureau of Investigation. Members shall also include employees of other agencies and representatives of SLTPS entities, as nominated by any Committee member and approved by the Chair.

(b) Members of the Committee shall serve without compensation for their work on the Committee, except that any representatives of SLTPS entities may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by law for persons serving intermittently in the Government service (5 U.S.C. 5701–5707).

(c) The Information Security Oversight Office shall provide staff support to the Committee.

(d) Insofar as the Federal Advisory Committee Act, as amended (5 App. U.S.C.) (the “Act”) may apply to this order, any functions of the President under that Act, except that of reporting to the Congress, which are applicable to the Committee, shall be performed by the Administrator of General Services in accordance with guidelines and procedures established by the General Services Administration.

Sec. 4. Operations and Oversight. (a) The Executive Agent for the Program shall perform the following responsibilities:

- (1) overall program management and oversight;
- (2) accreditation, periodic inspection, and monitoring of all facilities owned or operated by SLT entities that have access to classified information, except when another agency has entered into an agreement with the Department of Homeland Security to perform some or all of these functions;

- (5) developing and maintaining a security profile of SLT facilities that have access to classified information; and
- (6) developing training, in consultation with the Committee, for all SLTPS personnel who have been determined eligible for access to classified information, which shall cover the proper safeguarding of classified information and sanctions for unauthorized disclosure of classified information.

(b) The Secretary of Defense, or the cognizant security agency under Executive Order 12829, as amended, shall provide program management, oversight, inspection, accreditation, and monitoring of all private sector facilities that have access to classified information.

(c) The Director of National Intelligence may inspect and monitor SLTPS programs and facilities that involve access to information regarding intelligence sources, methods, and activities.

(d) Heads of agencies that sponsor SLTPS personnel and facilities for access to and storage of classified information under section 1.3(a) of this order shall:

- (1) ensure on a periodic basis that there is a demonstrated, foreseeable need for such access; and
- (2) provide the Secretary of Homeland Security with information, as requested by the Secretary, about SLTPS personnel sponsored for security clearances and SLT facilities approved for use of classified information prior to and after the date of this order, except when the disclosure of the association of a specific individual with an intelligence or law enforcement agency must be protected in the interest of national security, as determined by the intelligence or law enforcement agency.
