

# EPA

## Chromium Finishing Questionnaire

**Title:** Template Excel Workbook for Question 70 of the Chromium Finishing Questionnaire  
**Author:** United States Environmental Protection Agency (EPA), Office of Water  
**OMB Control No.:** 2040-NEW  
**OMB Approval Date:** 8/1/2023  
**OMB Approval Expires:** 8/1/2023

**Questionnaire ID:** [enter your Questionnaire ID here]

**Instruction:**

- 1) Enter your Questionnaire ID (provided to you in the notification letter from EPA) into the designated field.
- 2) Complete the List of Facilities worksheet by entering all facilities that the ultimate parent company owns, operates, or controls, including facilities that conduct metal finishing, electroplating, or chromium finishing as well as other facilities that may be associated with the facility associated with this questionnaire.
- 3) When you have completed entering all applicable facilities into the List of Facilities worksheet, save the file and rename it with your facility's assigned Questionnaire ID (e.g., "CRF####\_Questionnaire ID").
- 4) Upload the completed, renamed file in the file upload/response field for Question 70, along with any supporting documents and other attachments via the Questionnaire ID.

to the yellow cell above (Cell B13).

parent company operated in the United States in calendar year 2022. Include facilities that do not. List each individual facility in a separate row on the List of nnaire in the first row of the table.

worksheet, save and close this file. Update the file name to replace the stion 70\_Facilities Operated By Ultimate Parent Company.xlsx").

70 in the Qualtrics questionnaire. See the General Instructions file for guidance on ltrics.
