3. Renewal Contract

a. Parties

(1) This contract ("Renewal Contract") is a housing assistance payments contract ("HAP contract") between the contract administrator and the owner of the housing.

- (2) If HUD is the contract administrator, HUD may assign the Renewal Contract to a public housing agency (“PHA”) for the purpose of PHA administration of the Renewal Contract, as contract administrator, in accordance with the Renewal Contract (during the term of the annual contributions contract (“ACC”) between HUD and the PHA).
Notwithstanding such assignment, HUD shall remain a party to the provisions of the Renewal Contract that specify HUD’s role pursuant to the Renewal Contract, including such provisions of section 8 (applicable requirements), section 9 (statutory changes during term), section 10 (distributions) and section 11 (PHA default) of the Renewal Contract.

b. Statutory authority

The Renewal Contract is entered pursuant to section 8 of the United States Housing Act of 1937 (“Section 8”) (42 U.S.C. 1437f), and section 524(a) of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (MAHRA) (Title V of Public Law No.105–65, October 27, 1997, 111 Stat. 1384), as amended.

c. Expiring Contract

Previously, the owner entered into a Housing Assistance Payments Contract (“Expiring Contract”) with HUD or a PHA to make Section 8 housing assistance payments to the owner for eligible families living in the project. The term of the Expiring Contract has expired or will expire prior to the beginning of the term of the Renewal Contract.

d. Purpose of Renewal Contract

The purpose of the Renewal Contract is to renew the Expiring Contract for an additional term. During the term of the Renewal Contract, the contract administrator will make housing assistance payments to the owner in accordance with the provisions of the Renewal Contract. Such payments shall only be made for contract units occupied by eligible families (“families”) leasing decent, safe and sanitary units from the owner in accordance with HUD regulations and other requirements.

e. Contract units

The Renewal Contract applies to the project contract units identified in Exhibit A by size and applicable contract rents.

4. Expiring Contract: Provisions Renewed

- a. Except as specifically modified by the Renewal Contract, all provisions of the Expiring Contract are renewed (to the extent such provisions are consistent with statutory requirements in effect at the beginning of the Renewal Contract term).
- b. Any provisions of the Expiring Contract concerning any of the following subjects are not renewed, and shall not be applicable during the renewal term:
 - (1) The amount of the monthly contract rents;
 - (2) Contract rent adjustments;

- (3) Project account (sometimes called “HAP reserve” or “project reserve”) as previously established and maintained by HUD pursuant to former Section 8(c)(6) of the United States Housing Act of 1937 (currently Section 8(c)(5) of the Act, 42 U.S.C. 1437f(c)(5)). Section 8(c)(5) does not apply to the Renewal Contract, or to payment of housing assistance payments during the Renewal Contract term.
- c. The Renewal Contract includes those provisions of the Expiring Contract that are renewed in accordance with this section.

5. Contract Rent

a. Initial contract rents

At the beginning of the Renewal Contract term, and until contract rents for units in the project are adjusted in accordance with section 5b, the contract rent for each bedroom size (number of bedrooms) shall be the initial contract rent amount listed in Exhibit A, which is attached to and made a part of the Renewal Contract. The initial contract rent amounts listed in Exhibit A have been increased to market levels under the HUD Mark-Up-to-Market Option.

b. Contract rent adjustments

(1) OCAF adjustment

Except for adjustment of the contract rents to comparable market rents at the expiration of each 5-year period (as provided in paragraph 5b(2) of this section) (“fifth-year adjustment”), during the term of the Renewal Contract the contract administrator shall annually, on the anniversary of the Renewal Contract, adjust the amounts of the monthly contract rents in accordance with HUD requirements, using an operating cost adjustment factor (OCAF) established by HUD. Such adjustments by use of the OCAF shall not result in a negative adjustment (decrease) of the contract rents. The OCAF shall not be used for a fifth-year adjustment.

(2) Fifth-year adjustment (comparability adjustment at expiration of each 5-year period, if applicable)

(a) This section 5(b)(2) is only applicable if the term of the Renewal Contract is longer than five (5) years (from the first day of the term specified in section 2a).

(b) At the expiration of each 5-year period of the Renewal Contract term, the contract administrator shall compare existing contract rents with comparable market rents for the market area. At such anniversary of the Renewal Contract, the contract administrator shall make any adjustments in the monthly contract rents, as reasonably determined by the contract administrator in accordance with HUD requirements, necessary to set the contract rents for all unit sizes at comparable market rents. Such adjustments may result in a negative adjustment (decrease) or positive adjustment (increase) of the contract rents for one or more unit sizes.

- (c) To assist in the redetermination of contract rents, the contract administrator may require that the owner submit to the contract administrator a rent comparability study prepared (at the owner's expense) in accordance with HUD requirements.
- (3) Procedure for rent adjustments during renewal term
To adjust contract rents during the term of the Renewal Contract (in accordance with paragraph 5b(1) or paragraph 5b(2)), the contract administrator shall give the owner notice of the revised Exhibit A. The revised Exhibit A shall specify the adjusted contract rent amount for each bedroom size as determined by the contract administrator in accordance with paragraph 5b(1) or paragraph 5b(2). The notice shall specify when the adjustment of contract rent is effective. The notice by the contract administrator of the revised Exhibit A constitutes an amendment of the Renewal Contract.
- (4) No other adjustments
Except for contract rent adjustments in accordance with paragraph 5b, there shall not be any other adjustments of the contract rents during the term of the Renewal Contract. Special adjustments shall not be granted.

6. Owner Warranties

- a. The owner warrants that it has the legal right to execute the Renewal Contract and to lease dwelling units covered by the contract.
- b. The owner warrants that the rental units to be leased by the owner under the Renewal Contract are in decent, safe, and sanitary condition, as defined by HUD, and shall be maintained in such condition during the term of the Renewal Contract.

7. Owner Notice

- a. Before termination of the Renewal Contract, the owner shall provide written notice to the contract administrator and each assisted family in accordance with the law and HUD requirements.
- b. If the owner fails to provide such notice in accordance with the law and HUD requirements, the owner may not increase the tenant rent payment for any assisted family until such time as the owner has provided such notice for the required period.

8. Applicable Requirements

The Renewal Contract shall be construed and administered in accordance with all statutory requirements, and with all HUD regulations and other requirements, including amendments or changes in HUD regulations and other requirements during the term of the Renewal Contract. However, any changes in HUD regulations and requirements which are inconsistent with the provisions of the Renewal Contract, including the provisions of section 5 (contract rent) and section 10 (distributions), shall not be applicable.

9. Statutory Changes During Term

If any statutory change during the term of the Renewal Contract is inconsistent with section 5 or section 10 of the Renewal Contract, and if HUD determines, and so notifies the contract administrator and the owner, that the contract administrator is unable to carry out the provisions of section 5 or section 10 because of such statutory change, then the contract administrator or the owner may terminate the Renewal Contract upon notice to the other party.

10. Distributions

During the term of the Renewal Contract, neither HUD nor the PHA may impose any additional limitations on distributions of project funds other than any distribution limitations specified in Exhibit B, which is attached to and made a part of this Renewal Contract.

11. PHA Default

- a. This section of the Renewal Contract applies if the contract administrator is a PHA acting as contract administrator pursuant to an annual contributions contract (“ACC”) between the PHA and HUD. This includes a case where HUD has assigned the Renewal Contract to a PHA contract administrator, for the purpose of PHA administration of the Renewal Contract.
- b. If HUD determines that the PHA has committed a material and substantial breach of the PHA’s obligation, as contract administrator, to make housing assistance payments to the owner in accordance with the provisions of the Renewal Contract, and that the owner is not in default of its obligations under the Renewal Contract, HUD will take actions HUD determines necessary for the continuation of housing assistance payments to the owner in accordance with the Renewal Contract.

12. Sections 236 and 221(d)(3) BMIR projects: Prepayment

- a. This section of the Renewal Contract shall be applicable if the project is a Section 236 project or a 221(d)(3) BMIR project (See the check-box at section 1 of the Renewal Contract).
- b. During the term of the Renewal Contract, the owner shall not prepay any FHA-insured mortgage on the project, except where HUD, in its sole discretion, approves the prepayment as a component of a transaction whereby the project is preserved as affordable housing.

13. Exclusion of Third-Party Rights

- a. The contract administrator does not assume any responsibility for injury to, or any liability to, any person injured as a result of the owner’s action or failure to act in connection with the contract administrator’s implementation of the Renewal Contract, or as a result of any other action or failure to act by the owner.
- b. The owner is not the agent of the contract administrator or HUD, and the Renewal Contract does not create or affect any relationship between the contract administrator or HUD and any lender to the owner or any suppliers, employees,

contractors or subcontractors used by the owner in connection with implementation of the Renewal Contract.

- c. If the contract administrator is a PHA acting as contract administrator pursuant to an annual contributions contract ("ACC") between the PHA and HUD, the contract administrator is not the agent of HUD, and the Renewal Contract does not create any relationship between HUD and any suppliers, employees, contractors or subcontractors used by the contract administrator to carry out functions or responsibilities in connection with contract administration under the ACC.

14. Written Notices

- a. Any notice by the contract administrator or the owner to the other party pursuant to the Renewal Contract must be in writing.
- b. A party shall give notice at the other party's address specified in section 1 of the Renewal Contract, or at such other address as the other party has designated by a contract notice. A party gives notice to the other party by taking steps reasonably required to deliver the notice in ordinary course of business. A party receives notice when the notice is duly delivered at the party's designated address.
