The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on May 9, 2023 at 88 FR 29938.

A. Overview of Information Collection

Title of Information Collection: Section 8 Management Assessment Program (SEMAP).

OMB Control Number: 2577-0215.

Type of Request: Reinstatement, with change, of previously approved collection for which approval has expired.

Agency Form Numbers: HUD-52658.

Description of the Need for the Information and Proposed Use: On an annual basis (or every two years for small agencies) PHAs are required to submit a SEMAP certification (form HUD-52648) electronically into the Information Management System/Public and Indian Housing Information Center (IMS/PIC). There is a maximum of 15 indicators that are either verified through PIC data or an on-site or off-site confirmatory review. HUD uses the PHA's SEMAP certification, together with other available data, to assess PHA management capabilities and deficiencies, and to assign an overall performance rating to each PHA administering an HCV program. HUD rates a PHA on each SEMAP indicator, completes a PHA SEMAP profile identifying any program management deficiencies and assigns an overall performance rating. A PHA's written report of correction of a SEMAP

deficiency is used as documentation that the PHA has taken action to address identified program weaknesses. Where HUD assigns an overall performance

rating of troubled, the PHA's corrective action plan is used to monitor the PHA's progress on program improvements.

Respondents: Public Housing Agencies.
Estimated Annual Reporting and Recordkeeping Burden:

Information collection	Number of respondents	Responses per respondent	Total annual responses	Hrs per response	Total hrs	Regulatory reference
SEMAP Certification	2,167	1	2,167	12	26,004	985.101
