

“FEDERAL HOME LOAN BANK DIRECTORS”

OMB NUMBER 2590-0006

Justification for Non-substantive Change to the Information Collection: Federal Home Loan Bank Directors, OMB No. 2590-0006

FHFA is requesting a Non-substantive Change to this information collection.

FHFA has revised the instructions for one question on the currently approved set of forms in this information collection to make it more clear what information respondents must provide to complete the forms correctly. The updated forms will capture the same information as the original forms, but we expect that the revision will produce more accurate and consistent answers.

The substance of the forms was approved by OMB in 2021 (*see* OMB Notice of Action 7/16/2021, ICR Reference Number: 202105-2590-001) therefore we are providing the forms with the same approved substance but slightly revised instructions on question #6. The forms submitted for your review and approval are: *Form 129 - Federal Home Loan Bank Independent Director Application Form* and *Form 130 – Federal Home Loan Bank Independent Director Annual Certification Form*.
