Section 6 - Privacy Act Statement:

In accordance with 47 CFR § 0.554(b), personal information sufficient to identify the individuals requesting access to records under the Privacy Act of 1974, 5 U.S.C. § 552a, is required. The purpose of this solicitation is to ensure that the records of individuals who are the subject of the Federal Communications Commission's (FCC's) systems of records are not wrongfully disclosed by the FCC. The FCC may release information collected in this solicitation when necessary and appropriate under 5 U.S.C. § 552a(b) of the Privacy Act, including to: make determinations on access; other federal agencies or other administrative or adjudicative bodies before which the FCC is authorized to appear; the Office of Management and Budget (OMB) to obtain that agency's advice regarding obligations under the Privacy Act; and, agencies, entities, and persons when the FCC suspects or has confirmed that there has been a breach of information related to the system. Requests will not be processed if this information is not
