Post Examination Survey Pilot
OMB No. 3133-0188**

NCUA is transitioning from a Post Examination Survey Pilot to a permanent post-exam survey. During the pilot phase, NCUA worked with internal staff and external credit union focus groups to determine if questions should be added, changed, or expanded. Working with focus groups and using input from credit unions obtained from pilot surveys, survey questions were added or updated, which allowed for the burden to go down.
