Note: The following appendix will not appear in the Code of Federal Regulations.

Form SCIR

Significant Cybersecurity Incidents and Risks

FORM SCIR INSTRUCTIONS

A. GENERAL INSTRUCTIONS

- FORM Part I of Form SCIR must be used by a covered entity to confidentially report a
 cybersecurity incident pursuant to the requirements of 17 CFR 242.10. Part II of Form SCIR
 must be used to publicly disclose cybersecurity risks and significant cybersecurity incidents
 pursuant to the requirements of 17 CFR 242.10.
- 2. ELECTRONIC FILING A covered entity must file Parts I and II of Form SCIR through the EDGAR system, and must utilize the EDGAR Filer Manual (as defined in 17 CFR 232.11) to file Parts I and II of Form SCIR electronically to assure the timely acceptance and processing of the filing. Refer to 17 CFR 242.10 for other requirements with respect to filing Part I of Form SCIR with other regulators and for other requirements with respect to publicly disclosing Part II of Form SCIR.
- 3. FEDERAL INFORMATION LAW AND REQUIREMENTS An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number. Sections 15F, 17(a), 17A, and 23(a) of the Exchange Act authorize the U.S. Securities and Exchange Commission ("Commission") to collect the information on Form SCIR from covered entities. See 15 U.S.C. §§780-10, 78g and 78w. Filing of Parts I and II Form SCIR is mandatory. The principal purpose of Part I of Form SCIR is to report information about a significant cybersecurity incident impacting a covered entity so the Commission can respond to the incident, evaluate the operating status of the covered entity, and assess the impact the significant cybersecurity incident may have on other participants in the U.S. securities markets. The principal purpose of Part II of Form SCIR is to publicly disclose summary descriptions of the cybersecurity risks of the covered entity and summary descriptions of each significant cybersecurity incident that covered entity has experienced in the current or previous calendar year (if applicable). Any member of the public may direct to the Commission any comments concerning the accuracy of the burden estimate on this form, and any suggestions for reducing this burden. This collection of information has been reviewed by the Office of Management and Budget in accordance with the clearance requirements of 44 U.S.C. §3507. The information contained in this form is part of a system of records subject to the Privacy Act of 1974, as amended. The Commission has published in the Federal Register the Privacy Act Systems of Records Notice for these records.

4. FORMAT

- a. All Items must be answered and all fields requiring a response must be completed before the filing will be accepted.
- b. A covered entity must complete the execution screen certifying that Form SCIR has been executed properly and that the information contained in the form is accurate and complete before the filing will be accepted.
- c. A paper copy, with original signatures, of Part I and Part II of Form SCIR must be retained by the covered entity and be made available for inspection upon a regulatory request.

5. EXPLANATION OF TERMS

- a. COVERED ENTITY The term "covered entity" has the same meaning as that term is defined in 17 CFR 242.10 and, as used in Form SCIR, also refers to the person filing the Form.
- b. **CYBERSECURITY INCIDENT –** The term "cybersecurity incident" has the same meaning as that term is defined in 17 CFR 242.10.
- c. **CYBERSECURITY RISK** The term "cybersecurity risk" has the same meaning as that term is defined in 17 CFR 242.10.
- d. **INTERNAL INVESTIGATION** The term "internal investigation" means a formal investigation of the significant cybersecurity incident by internal personnel of the covered entity or external personnel hired by the covered entity that seeks to determine any of the following: the cause

- of the significant cybersecurity incident; whether there was a failure to adhere to the covered entity's policies and procedures to address cybersecurity risk; or whether the covered entity's policies and procedures to address cybersecurity risk are effective.
- e. **PERSONAL INFORMATION** The term "personal information" has the same meaning as that term is defined in 17 CFR 242.10].
- f. **SIGNIFICANT CYBERSECURITY INCIDENT** The term "significant cybersecurity incident" has the same meaning as that term is defined in 17 CFR 242.10.
- g. **UNIQUE IDENTIFICATION CODE** The term "unique identification code" means a unique identification code assigned to a person by an internationally recognized standards-setting system that is recognized by the Commission pursuant to Rule 903(a) of Regulation SBSR (17 CFR 242.903(a)).

B. INSTRUCTIONS TO PART I OF FORM SCIR

- 1. **INITIAL REPORT** Pursuant to the requirements of 17 CFR 242.10, a covered entity must file an initial report on Part I of Form SCIR with respect to a significant cybersecurity incident upon having a reasonable basis to conclude that the incident has occurred or is occurring.
- 2. AMENDED REPORT Pursuant to the requirements of 17 CFR 242.10, a covered entity must file an amended report on Part I of Form SCIR with respect to a significant cybersecurity incident after each of the following circumstances:
 - Any information on a previously filed Part I of Form SCIR pertaining to the significant cybersecurity incident becomes materially inaccurate;
 - Any new material information pertaining to a significant cybersecurity incident previously reported to the Commission on Part I of Form SCIR being discovered;
 - · A significant cybersecurity incident is resolved; or
 - An internal investigation pertaining to a significant cybersecurity incident is closed.
- 3. FINAL REPORT A covered entity filing a final report on Part I of Form SCIR must indicate on the final notification if: (i) the Part I of Form SCIR is being filed because the significant cybersecurity incident has been resolved and either no internal investigation pertaining the significant cybersecurity incident is being or will be conducted or an internal investigation pertaining to the significant cybersecurity incident has been closed prior to the resolution of the incident; or (ii) the Part I of Form SCIR is being filed to report that an internal investigation pertaining to the significant cybersecurity incident has been closed and the significant cybersecurity incident a final report on Part I of Form SCIR with respect to a significant cybersecurity incident, and, thereafter, conducts an internal investigation pertaining to the significant cybersecurity incident, it must file another final report on Part I of Form SCIR when the investigation is closed pursuant to the requirements of 17 CFR 242.10.
- 4. CONTACT EMPLOYEE The individual listed as the contact employee must be authorized by the covered entity to provide the Commission with information about the significant cybersecurity incident, and make information about the significant cybersecurity incident available to the Commission.

5. LINE ITEMS

- a. **Line 2** Provide the date the covered entity had a reasonable basis to conclude that the significant cybersecurity incident had occurred or was occurring. This can be based on, for example, reviewing or receiving a record, alert, log, or notice about the incident.
- b. **Line 3.C.** Provide the approximate date that the Covered Entity was no longer undergoing a significant cybersecurity incident.

C. INSTRUCTIONS TO PART II OF FORM SCIR

- 1. **PUBLIC DISSEMINATION** Part II of Form SCIR will be publicly disseminated upon filing it with the Commission.
- 2. **DISCLOSURE UPDATES** Pursuant to the requirements of 17 CFR 242.10, a covered entity must promptly provide an updated disclosure through the methods required by 17 CFR 242.10 if the information required to be disclosed pursuant to 17 CFR 242.10 materially changes, including after the occurrence of a new significant cybersecurity incident or when information about a previously disclosed significant cybersecurity incident materially changes.
