

Justification of Change Worksheet
Generic Clearance for the Collection of Solution for Funding Opportunity Announcement
OMB No. 0503-0028

December 2022

This change worksheet modifies the Generic Collection's Application Template to incorporate check boxes that help explain how grant programs submitted against this collection will fall under the Generic ICR. The way the information will be collected, the manner in which the collection will be announced and if reporting is needed beyond the expiration of the Generic ICR.
