Dear current resident,

We are pleased to invite you to take part in a survey about health and well-being. Your answers will help us learn more about households in Puerto Rico, especially when it comes to food and nutrition needs. The results of this survey will also help the U.S. Department of Agriculture and the Administración para el Desarrollo Socioeconómico de la Familia improve programs and services offered to Puerto Rican households.

Your voice matters.

Participating is easy. You can—

You will receive a **\$40** gift card for completing the survey.

The survey will take about 40 minutes. The study report will not include names or other information that could be used to identify you or your household. Your participation is voluntary.
