

PROCESS OVERVIEW

Purpose

The purpose of this transaction is for a State Distributing Agency (SDA) Organization Administrator (Org Admin) to maintain entitlements for active Recipient Agencies (RAs) in WBSCM by downloading a template and then uploading an updated version of the entitlement data file. For an inactive RA, existing entitlements can be changed, but no new entitlements can be created.

Maintenance activities can be performed by:

1. Manually entering entitlement budget information for the current year.
2. Uploading an entitlement data file to WBSCM using a new data file or one that is created from a download of the previous year's entitlement.

The following programs require maintenance of RA entitlements:

- **TEFAP** - The Emergency Food Assistance Program
- **NSIP** - Nutrition Services Incentive Program
- **NSLP** - National School Lunch Program
- **SFSP** - Summer Food Service Program
- **CACFP** - Child and Adult Care Food Program

Use the [RA Entitlement Budgeting by Program Job Aid](#) for a list of field definitions and portal paths for each of these programs.

Process Trigger

Perform this transaction when entitlements need to be updated in WBSCM. Entitlement programs are most often updated based on a yearly schedule. Program entitlements are based on different year calculations:

- **Calendar year (CY)** - TEFAP
- **Fiscal year (FY)** - NSIP, SFSP
- **School year (SY)** - NSLP, CACFP

Prerequisites

- FNS must have previously assigned an entitlement budget to the SDA.

Portal Path

Follow the Portal path below to complete this transaction:

- Select **Operations** tab → **Order Processing** tab → **Entitlement Management** folder → **SDA Entitlement Budgeting for (Program)** link to go to the *SDA Entitlement Budgeting for (Program)* initial screen.

(Note) The link will include the name of the program: CACFP, NSIP, NSLP, SFSP, or TEFAP. Throughout this document, the NSLP path is used as an example.

Tips and Tricks

- The R/O/C acronyms in the field tables represent Required, Optional, or Conditional field entries.
 - **Required (R)** - a mandatory field necessary to complete the transaction

Work Instruction
Maintain RA Entitlements

- **Optional (O)** - a non-mandatory field not required to complete the transaction
- **Conditional (C)** - a field that may be required if certain conditions are met, typically linked to completion of a mandatory field.
- Refer to the WBSCM Help site, *Frequently Referenced Training Materials* section for basic navigation training and tips on creating favorites, performing searches, etc.

PROCEDURE

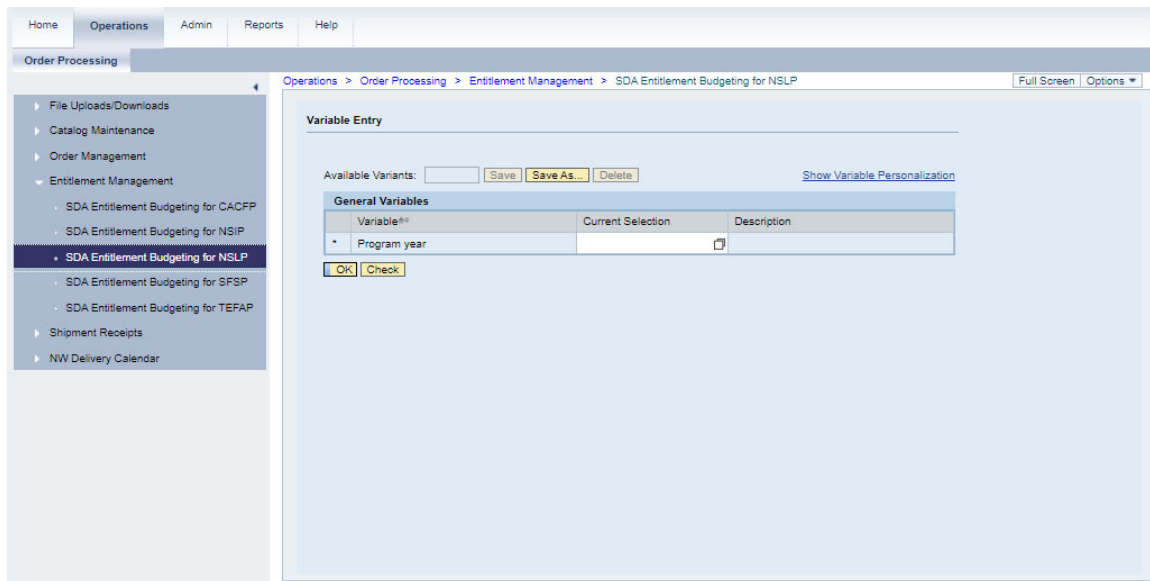

1. Start the transaction using the following Portal path: **Operations** tab → **Order Processing** tab → **Entitlement Management** folder.
2. Perform one of the following:

If	Then
The user needs to upload CACFP entitlement data	Select SDA Entitlement Budgeting for CACFP .
The user needs to upload NSIP entitlement data	Select SDA Entitlement Budgeting for NSIP .

The user needs to upload SFSP entitlement data	Select SDA Entitlement Budgeting for SFSP .
The user needs to upload TEFAP entitlement data	Select SDA Entitlement Budgeting for TEFAP .

(Note) This work instruction uses NSLP as an example; however, the steps provided apply to all programs. Use the [RA Entitlement Budgeting by Program](#) job aid for a list of field definitions and portal paths for each of these programs.

Program year	R	Year when the customer will be able to use the funds allocated for the specific program. Example: 2020

(Note) The program year may be a fiscal year, school year, or calendar year, depending on the program.

5. Click **Check** (the **Check** button) to determine if the value entered in the **Program Year** field is valid. WBSCM defines the year as a four-digit number between 0 and 9999. An error is displayed if a value is entered outside of the expected range.

This job aid provides field definition and portal navigation path for each of the programs that use this transaction in WBSCM.

Use the [Maintain RA Entitlements](#) work instruction for step-by-step instructions to maintain entitlements.
