ATTACHMENT 10: Text Message Reminders: Baseline

For households that provide permission for the youth to take the online survey, we will send text messages to remind them to have their child to complete the survey in advance of the data collection close date. If the youth has not yet started the survey, we will send a text message to the parent. If the youth has started the survey, we will send a text message to either the parent OR the youth. If the youth is 14+, we have a phone number for youth, and the youth has provided permission for us to text them, we will send the reminder text message to the youth. Otherwise, we will send the reminder text message to the parent. Below are the text messages that we will send to parents and/or youth that are age 14 or older.
