The following survey is designed to assess information on behalf of the Health Resources and Services Administration (HRSA) for the Rural Public Health Workforce Training Network Program (RPHWTN) administered by the Federal Office of Rural Health Policy (FORHP). The purpose of this survey is to understand the population who may benefit from rural health training programs and the training needs of the those enrolled in this program. Please note that your individual responses within this survey are completely confidential and will never be shared with your employer, your training organization, or anyone outside of the Health Resources and Services Administration.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is **0915/0906-XXXX** and it is valid until **XX/XX/202X**. This information collection is **voluntary**. Public reporting burden for this collection of information is estimated to average **0.25** hours per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857 or paperwork@hrsa.gov.
