Form Approved
OMB No. 0920-xxxx
Exp. Date XX/XX/XXXX

CDC estimates the average public reporting burden for this collection of information as 15 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

Section 1. Please rate the training and give your honest opinion.

On a scale from 1 to 5, where 1 indicates strongly agree, and 5 indicates strongly disagree, please give the number which indicates how much you agree or disagree with each statement.

	1 Strongly disagree	2	3 Neutral	4	5 Strongly agree
I liked this training overall.					
This training told me something new.					
This training motivated me to do something to improve my sleep.					
This training said something important to me.					
The messages did not apply to me or my driving situation.					

Next questions ask how you feel about NIOSH (National Institute for Occupational Safety and Health) as the source of this information.

	Yes	No	Do not know/no t sure	Refuse to respond
Have you heard of NIOSH before taking this training?				
Is NIOSH a good source of information?				
Does NIOSH seem
