TERMS OF CLEARANCE: Terms of the previous clearance remain in effect. Although the generic Information Collection Requests (ICRs) allows for the nonsubstantive change request to be used for changes to existing approved information collection tools, it is not always the most appropriate mechanism if changes are substantial or sensitive in nature. Prior to future submissions, ACF should discuss with OIRA in advance of submitting nonsubstantive change requests to decide if it is an appropriate mechanism or if a revision of the ICR with a 60 and 30 day comment period is more appropriate.
