

## RAPP Indicators

|                      |  |                         |
|----------------------|--|-------------------------|
| <b>GRANTEE NAME:</b> |  | <b>Reporting Period</b> |
| <b>GRANT NUMBER:</b> |  | <b>Budget Period</b>    |

| Program Activities  | First Reporting Period | Second Reporting Period | Cumulative Fiscal Year |
|---|------------------------|-------------------------|------------------------|
| Number of participants enrolled:  |                        |                         |                        |
| Number of participants enrolled identifying as "Male" excluding minor dependents:   |                        |                         |                        |
| Number of Participants enrolled indentifying as "Female" excluding minor dependents:  |                        |                         |                        |
| Number of Participants enrolled identifying as "Unspecified" or another gender identity excluding minor dependents:   |                        |                         |                        |
| Acres of land provided for RAPP activities:   |                        |                         |                        |
| Number of training hours provided in nutrition and/or food safety for personal consumption:   |                        |                         |                        |
| Number of training hours provided in farming production techniques (e.g., agricultural produce selection, proper irrigation, harvesting, extending growing seasons, etc.) |                        |                         |                        |
| Amount of produce cultivated (lbs.):  |                        |                         |                        |
| Gross sales of produce sold by all participants (\$):   |                        |                         |                        |
| Number of participants and family members accessing healthy and nutritious foods through farming:   |                        |                         |                        |
| Number of activities aimed towards increasing psychosocial development of refugees:   |                        |                         |                        |
| Number of types of services received by the participants, not provided by RAPP grantee:   |                        |                         |                        |

### Personal and Psychosocial Development Assessment

|                                 | At Enrollment | End-of-Year Assessment |
|---------------------------------|---------------|------------------------|
| Number of Individuals Assessed: |               |                        |

Using the scoring scale below, provide a mean assessment score of all clients enrolled in RAPP.

**1 - Not At All** - Client cannot complete activities in this area without assistance from the grantee.

**2 - Sometimes** - Clients can complete some activities on their own, but still require assistance from the grantee.

**3 - Most Of The Time** - Clients are able to complete most tasks in this area on their own, but may request assistance from the grantee.

**4 - All The Time** - Clients are able to complete all activities in this area without any assistance from the grantee.

|  | At Enrollment | End-of-Year Assessment |
|--|---------------|------------------------|
| Client has access to healthy food:   |               |                        |
| Client understands what a healthy diet is:   |               |                        |
| Clients are engaged in physically activity:  |               |                        |
| Client has sufficient income to cover needs (e.g., housing, food, transportation, etc.)  |               |                        |
| Client is engaged in the community:  |               |                        |
| Client knows how to find answers for questions about nutrition and health:   |               |                        |
| Client knows how to find answers for questions about gardening/farming (e.g., leasing land, zoning laws, pesticides, organic production, etc.):      |               |                        |
| Client can navigate relevant systems (e.g., local governments, business development process, accessing benefits, etc.) without grantee intervention: |               |                        |

| Logic Model Outputs Progress   | Semi-Annual Results                                  |   |
