

PROSPR In-Person Option Meeting Planning Survey

Dear PROSPR Team Member,

We are planning for an in-person option for the [name of meeting] in [month/year]. We want to understand the circumstances, if any, under which you would feel comfortable attending this meeting in person rather than virtually. You should not feel any pressure to attend in person. We will hold the meeting either way, but our planning for the meeting will be different depending on whether the meeting is hybrid or virtual-only.
