

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 0970-0401)

TITLE OF INFORMATION COLLECTION: National Center on Substance Abuse and Child Welfare’s Training and Technical Assistance Satisfaction Surveys

PURPOSE: The proposed information collection activity is intended to gather feedback from recipients of the National Center on Substance Abuse and Child Welfare’s (NCSACW) Training and Technical Assistance (TTA) as to their satisfaction with the training and/or technical assistance received from NCSACW staff. Feedback will be used to improve future training events and make modifications to NCSACW content to better meet TTA recipients’ needs. Information collected will not be used for evaluation purposes. Overall, the goal is to better serve NCSACW customers. NCSACW is funded by both the Administration for Children and Families and the Substance Abuse and Mental Health Services Administration.

NCSACW’s TTA consists of a variety of activities, including individual TTA events, long-term TA engagement activities, and tutorials. Individual TTA events including standard TTA (delivery of standard TTA materials – level 1), customized TTA (extensive customization of standard TTA packages, product development, and/or brief consultation – level 2) and event based TTA (extensive development of customized materials and a variety of in-person, virtual, or hybrid trainings or consultations – level 3). Long-term engagement activities involve engagement with a dedicated site team or grantee to develop and implement an intensive scope of work for strategic planning including the Regional Partnership Grants (RPG) and the In-Depth Technical Assistance (IDTA) programs¹. The NCSACW’s website hosts three online tutorials for substance use disorder (SUD) treatment, child welfare, and legal professionals to promote learning, collaboration, and practice skills to support families affected by SUDs and child welfare involvement. To collect feedback, we propose to administer three surveys, dependent on the activity(ies):

- **NCSACW TTA Satisfaction Survey (Instrument 1):** The NCSACW will administer *training or technical assistance* satisfaction surveys after completion of an individual training or technical assistance event. Instrument 1 includes a bank of potential questions from which NCSACW will select specific feedback questions based on the level of TTA (standard, customized and extensive TTA), content, and audience for the individual event. Time per response will vary for each tailored survey but will not exceed 5 minutes.
- **NCSACW TTA Long-term Technical Assistance Engagement Satisfaction Survey (Instrument 2):** The NCSACW will administer *long-term technical assistance engagement* satisfaction surveys annually for the term of the engagement. Instrument 2 includes a bank of potential questions from which NCSACW will select questions specific to the desired outcomes for long term-TTA engagements. The specific questions will be chosen based on the type of engagement and key partners. Time per response will vary for each tailored survey but will not exceed 15 minutes. Individuals receiving long-term TA engagement activities will receive satisfaction surveys annually.

¹ NCSACW provides long-term programmatic TA to the Regional Partnership Grants (RPG) and the In-Depth Technical Assistance (IDTA) programs as part of their contract with the Administration for Children, Youth and Families, Children’s Bureau.

- **NCSACW Online Tutorial Satisfaction Survey (Instrument 3):** The NCSACW will administer *NCSACW Tutorials* satisfaction surveys annually for the term of the engagement. Instrument 3 includes a bank of potential questions from which NCSACW will select questions specific to each *NCSACW Tutorial* to improve content. Time per response will vary for each tailored survey but will not exceed 5 minutes.

DESCRIPTION OF RESPONDENTS: Respondents will be NCSACW TTA recipients and participants of training events. This may include staff from state, regional, county, and tribal human services agencies, non-profit organizations, medical or hospital systems, state, regional, local, or tribal court systems, adult drug courts, family drug/treatment courts, Healing to Wellness courts, education providers, or other public or private organizations.

To assist review, please provide answers to the following questions:

Personally Identifiable Information:

1. Is personally identifiable information (PII) collected? Yes No
2. If Yes, will any information that is collected be included in records that are subject to the Privacy Act of 1974? Yes No
3. If Yes, has an up-to-date System of Records Notice (SORN) been published? Yes No

Gifts or Payments:

Is an incentive (e.g., money or reimbursement of expenses, token of appreciation) provided to participants? Yes No

BURDEN HOURS

Three instruments are included in the burden hours table.

For the NCSACW TTA Satisfaction Survey (Instrument 1), time per response is dependent on the level of effort at a specific event. The different categories include:

- Standard TTA - Delivery of standard TTA materials (including resources, publications, and/or referrals)
- Customized TTA - Extensive customization of standard TTA packages, product development, and/or brief consultation
- Event Based TTA - Extensive development of customized materials and a variety of in-person, virtual, or hybrid trainings or consultations

The NCSACW estimates data collection will begin in October 2022, dependent on OMB approval. ACF would like to collect data through the end of the NCSACW contract – March 2027 and will submit an extension request prior to the expiration date of this umbrella generic (6/30/2024). This request includes annual burden estimates through June 2024.

Information Collection	Category of Respondent	Annual No. of Respondents	No. of Responses per Respondent	Estimated Time per Response	Burden Hours
NCSACW TTA Satisfaction Survey – <i>Standard</i>	Individuals	625	1	2 minutes	20.8 hours
NCSACW TTA Satisfaction Survey – <i>Customized</i>	Individuals	125	1	3 minutes	6.25 hours
NCSACW TTA Satisfaction Survey – <i>Event Based</i>	Individuals	22,225	1	5 minutes	1,852.1 hours
