

Survey of Learning Community Participants**Pre-meeting Survey of Learning Community Participating Initiatives**

Name of program or initiative: _____

Please complete one survey, across all participants, for your program or initiative.

1. What topics have you and your team worked on over the summer, that is, since the May 2022 learning community meeting?

(CHECK ALL THAT APPLY)

- Developed or refined the two-generation logic model
- Strengthened two-generation data system(s)
- Worked toward sharing data among partners
- Compared the logic model with program data
- Identified one or more areas where the data and logic model are inconsistent and prioritized an issue to work on
- Identified potential solutions
- Implemented solutions to test
- Examined data to assess the solutions

2. Which topics would your team like to discuss with others in a breakout group at the upcoming October meeting? Please number the topics by priority for your team to discuss at the meeting. Learning community staff will create breakout groups based on shared interest in discussing similar topics.

NUMBER THE TOPICS BELOW. 1=MOST INTEREST; 4=LEAST INTEREST

- ___ Developing or refining your two-generation logic model
- ___ Strengthening two-generation data system(s)
- ___ Identifying areas for strengthening your two-generation initiative
- ___ Identifying, implementing, and assessing potential solutions to strengthen your two-generation initiative.

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to understand which activities learning community programs and initiatives have engaged in and which topics they prefer to discuss at the upcoming learning community meeting so that meeting is productive. Public reporting burden for this collection of information is estimated to average 10 minutes per respondent, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0401 and the expiration date is 06/30/2024. If you have any comments on this collection of information, please contact Emily Sama-Miller, esamamiller@mathematica-mpr.com.
