Submit all instruments, instructions, and scripts with the request. Each instrument should be an individual file and should be titled to match the title in the burden table.

The following provides information to fill out the form categories in this document.

TITLE OF INFORMATION COLLECTION: Provide the name of the collection that is the subject of the request. (e.g. Comment card for soliciting feedback on xxxx)

PURPOSE: Provide a brief description of the purpose of this collection and how it will be used. If this is part of a larger study or effort, please include this in your explanation.

DESCRIPTION OF RESPONDENTS: Provide a brief description of the targeted group or groups for this collection of information. These groups must have experience with the program.

BURDEN HOURS:

Information Collection: Provide the title of the information collection(s) (ex. Grantee meeting feedback form). Please make the title in the burden table and the title of the corresponding file match.
