

Peer Group Focus Group Recruitment Message

Invitation Email

Subject Line: Seeking your feedback about Center for States services

Hello peer group members,

We would like to invite you to participate in an upcoming focus group of approximately 10 peer group members to share your experiences with the Center for States peer groups.

The focus group will take approximately 45-60 minutes. We will ask about your engagement and participation in your peer learning group, ways that the group benefits your work, how you connect with peers and other colleagues, and how we can improve peer groups in future. Your input will be used in reporting on quality and outcomes of peer groups to the Children's Bureau, and to inform ongoing quality improvement and planning efforts by the Center for States.

Anything you share during the focus group will be kept private and the session will be recorded for later reference. No risks are anticipated from your participation.

If you would like to participate, please click this [Link] to sign up for a focus group slot. You will be contacted to confirm registration and date/time. Please complete the sign-up survey by [Insert Date].

Available dates/times:
