to interview and document responses from program directors and assistant program directors during biennial site visits. Public reporting burden for this collection of information is estimated to average 1.0 hour per response (plus an additional 1.0 hour if the site visit is performed by a contractor monitor), including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a mandatory collection of information (Homeland Security Act, 6 U.S.C. 279). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. If you have any comments on this collection of information please contact UCPolicy@acf.hhs.gov.
