THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to allow ORR contractor monitors to compile comprehensive notes and information related to the overall functioning and oversight of the care provider program as part of the pre-monitoring process for unlicensed facility quarterly site visits. Public reporting burden for this collection of information is estimated to average 12 hours per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a mandatory collection of information (Homeland Security Act, 6 U.S.C. 279). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. If you have any comments on this collection of information please contact [UCPolicy@acf.hhs.gov](mailto:UCPolicy@acf.hhs.gov).

### Monitoring Activities

## Entrance Meeting

### Introductions and Background on the UC Monitoring Team:

- ✓ Do introductions.
- ✓ Explain your role/role of the monitoring team i.e. to conduct quarterly monitoring visits to unlicensed facilities to ensure compliance with ORR requirements.

### Primary Goals:

- ✓ Look at compliance with governing statutes, ORR policies and procedures, regulations and cooperative agreement in meeting program performance goals with a focus on ensuring that:
  - UC provided with a safe and appropriate environment.
  - UC provided with client-focused care to maximize UC's opportunities for success both while in care and upon release.

This visit is not a 'gotcha', but rather we are here to work with you to strengthen the program and services for UC, if needed.

### Secondary Goals:

- ✓ Assist programs to understand what their responsibilities are
- ✓ Identify areas where technical assistance may be helpful
- ✓ Identify successful and innovative program implementation/administration techniques.
- ✓ Answer Grantee's questions or provide answers promptly upon return to DC office

### To accomplish these goals:

- ✓ Tour facilities to assess the adequacy of meeting UC needs
- ✓ Review records (if any personnel file documents maintained separately, need them all when reviewing personnel files i.e. I-9), participant files, and other relevant records to ensure administrative compliance
- ✓ Interview UC
- ✓ Conduct interviews with service provider staff, participants and employers to obtain information about program administration, operations, and quality of service provided
- ✓ Conduct monitoring review
- ✓ Conduct exit conference after completion of the review. This conference should cover at least a discussion of the following: General findings. Process and schedule for formal report including the mechanism for Grantee feedback.

### Request the following documents:

- ✓ UC Roster with UC Admission date, assigned CM and Clinician
- ✓ Staff Roster (with staff title and start date)
- ✓ Education/Academic Schedule
- ✓ Weekly/Daily/Monthly UC Activity Schedule

**Also ask relevant questions for Care Provider PD selected as a result of pre-monitoring review**

Directions for UC Monitors: Completing the Onsite Monitoring notes sections below is optional, as long as the review of standard activities is completed and saved somewhere in the monitoring visit folder.

**Next Steps**

Formal Report should be finalized within 30 business days. It will mainly include all the information presented during this meeting. The care provider will have 30 business days to respond with a comprehensive corrective action plan. This corrective action plan should be sent to your assigned PO, who will follow-up with the program and provide any further technical assistance. Please copy the monitor(s) and FFS/CFS on your response. Thanks for your hospitality.
