VOLAG SITE VISIT GUIDE

To be completed by the Program Director and returned to the ORR/UCP UAC Monitor.

this information collection is to allow ORR Monitoring Team staff to collect information and supporting documents related to the overall functioning and oversight of the care provider program as part of the pre-monitoring process for biennial site visits. Public reporting burden for this collection of information is estimated to average 8 hours per response (plus an additional 28 hours if the site visit is performed by a contractor monitor), including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a mandatory collection of information (Homeland Security Act, 6 U.S.C. 279). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. If you have any comments on this collection of information please contact UCPolicy@acf.hhs.gov.
