REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of these policies and procedures related to case file maintenance during unlicensed facility response for the care provider and 6.0 hours for the contractor monitor, including transportation. This is a mandatory collection of information (Homeland Security Act, 6 U.S.C. 2635) subject to the requirements of the Paperwork Reduction Act of 1995, unless it directly burdens you. Contact UCPolicy@acf.hhs.gov.

Form (Revised: 12/9/2022) to the ORR/UCP Master Case File Checklist (10/11/2011) or Case File Checklist is fully applicable to children in staff secure care. This Form (NOP), related NOP 30 day reviews, bond hearing requests (if any), placement decisions for children currently in care and all transfers out of the staff secure facility during the life of the case to 'UC' are fully applicable if the child is a 'UAM'.)

Notice of Placement in a Restrictive Setting (NOP) and Intakes Placement Checklist

The Notice of Placement in a Restrictive Setting (NOP)(P-4/Version 5/Revised 11/21/2022) is completed with the following information:

- Original copy maintained in UC case file
- Reason for placement marked and summary of placement decision provided
- Explanation of placement explained in UC's language entered in UC Portal and UC case file
- UC (If the UC refused to sign the NOP, the care provider checked the box for "Please check this box ONLY if the child is in a restrictive placement")
- If in a Restrictive Placement, the Staff Secure Facility section completed (rather than the Secure Facility or Residential Treatment Center section)
- Form completed in accordance with the UC Manual of Procedures Section 1: Placement in ORR Care Provider Facilities (Version 5.1)

Version 5.1 of the NOP is in substantial compliance with these and other requirements detailed in UC MAP Section 1)

continue placement of a UC in the staff secure is supported by clear and convincing evidence. Prior to the NOP primary is fully documented to include the detailed evidentiary record, uploaded to the UC Portal and included in the UC case file. The following review information:

ation
e case
ssion

ion, including names and titles of those making recommendations, and basis for it
mmendation and basis for it
, decision and basis for it
lly the case manager)

Restrictive Placement Case Review form is available in The UC Manual of Procedures (UC MAP). It is not required to be completed, but ensure the review details and evidentiary record are detailed, uploaded to the UC Portal and maintained in the UC file.

(Dari and Pashto versions are) completed, a summary of evidence supporting the placement was completed in English and maintained in the UC case file.

Special populations team require that this be accomplished by uploading both an English NOP and Spanish NOP (or Dari and Pashto) to the UC Portal and that maintained in UC case file.

'Orientation packet' includes the *Request for Flores Bond Hearing* form.

Providing UC the current undated form which can be located in *Key Documents for the Unaccompanied Children Program: Policy-guidance/unaccompanied-children-program.*

Documented that UC was informed in a language that UC understands that can request a Flores bond hearing immediately.

Requested by UC, staff secure care provider has documented compliance with ORR guidance. (Note: check UC file and UC case file to ensure that a Flores bond hearing was requested. If applicable, the monitor needs to review both related email and file documents by requesting to review 'documents'. Ask the care provider to provide monitor the email submission to ORR. Check the email to see if care provider requested at ORR BondHearings@acf.hhs.gov within 1 business day (absent exigent circumstances).

Placement in a Restrictive Setting (NOP) and Case Review Documentation

When Case Review is completed in accordance with UC MAP Section 1, documented in the UC file, and uploaded to the UC Portal, every 30 days the UC remains in the staff secure - restrictive placement. Requirements for completing NOP previously reviewed in review NOPs.

and copy maintained in UC case file

Reason for placement marked and summary of placement decision provided

explained in UC's language entered in UC Portal and UC case file

UCP (If the UC refused to sign the NOP, the care provider checked the box for "Please check this box ONLY if the child refused to sign the NOP")

Restrictive Placement, the Staff Secure Facility section completed (rather than the Secure Facility or Residential Treatment Center)

Refer to the UC Manual of Procedures Section 1: Placement in ORR Care Provider Facilities (Version 5.1)

Review NOP is in substantial compliance with requirements detailed in UC MAP Section 1. Placement in ORR Care Provider

in consultation with the FFS, obtain the following information, as applicable:

• Criminal record, including but not limited to:

• Police records, arrest records, court records (including Saravia and Flores hearings), probation records, and other documents retrieved from foreign governments.

• Information on dangerousness obtained from non-law enforcement entities, including schools, child welfare agencies or other

• Information on placement by or other caregivers.

• Information on history of dangerousness or flight risk, this includes destruction of property and SA SIRs in which the UC is a

• Information on current placement. UC may not be a danger, including reports from schools, counselors (including from the UC's current placement).

• Information on current placement focus, in part, on the UC's dangerousness, threats to self, others or the community and any issues effecting the need

• If the placement in a restrictive facility, the **Evidentiary Record** demonstrates that the available information about the UC is more likely that the child poses a danger to themselves or other, and/or poses an escape risk. This **Evidentiary Record** is uploaded to the UC Portal.

If the placement in a restrictive facility, the evidentiary record has been documented in the UC's case file and uploaded to the UC Portal prior to a transfer. If not, it has been included with the Transfer Request File.

If the placement in a restrictive environment, if the transfer has not been completed within 7 days due to problems finding a suitable care provider, the case manager has documented efforts to resolve the delay in the UC Case Review notes. (If applicable.)

se of this information collection is to allow ORR quarterly site visits. Public reporting burden fo he time for reviewing instructions, gathering a .C. 279). An agency may not conduct or spons displays a currently valid OMB control number. |
