

CET – Annotated Questionnaire (Wave 77)

Note: The questions below are the proposed questions for the 77th wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in this wave only or are being asked again to update data on a variable of interest. We will be fielding questions about HHS and CDC trust, long COVID, and precautions.

For the next section we would like to talk about current events.
