PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the Fish and Wildlife Act (P.L. 105-242), the Anadromous Fish Conservation Act (P.L. 96-118), Sustainable Fisheries Act of 1996 (P.L. 104-297), the National Invasive Species Act (P.L. 104-332), Executive Order 13112, the Magnuson-Stevens Fishery Conservation & Management Reauthorization Act (P.L. 109-479) and the NOAA Fisheries National Standards.

Purpose: The contact information requested is to assist in the description and location of the individual's capture of the Northern Snakehead. The capture location helps to determine migration patterns, distribution and the abundance of the Northern Snakehead within the Chesapeake Bay.

Routine Uses: The information will be used by Fishery Managers to determine location of capture. More information about the routine uses may be found in the Systems of Records Notice, FWS-21 Permits System.

Disclosure: The contact information requested is voluntary.

PAPERWORK REDUCTION ACT STATEMENT

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) to collect vital information used by fishery managers about the migration patterns, distribution, and abundance of snakehead within the Chesapeake Bay watershed and to respond to requests made under the Freedom of Information Act and the Privacy Act of 1974. Your response is voluntary. According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0127.
