Abstract: We, the Bureau of Indian Affairs (BIA) are proposing to renew an information collection. The Indian Child Welfare Act (ICWA or Act), 25 U.S.C. 1901 *et seq.*, imposes certain requirements for child custody proceedings that occur in State court when a child is an "Indian child." The information collections are conducted during a civil action (*i.e.*, a child custody proceeding). While these civil actions occur in State court, and the U.S. is not a party to the civil action, the civil action is subject to the Federal statutory requirements of ICWA, which the Secretary of the Interior oversees under the Act and general authority to manage Indian affairs under 25 U.S.C. 2 and 9.

In order to accomplish these goals, the Secretary will develop or implement standards, assessments, and an accountability-system requirements for BIE-funded schools. Tribal governing bodies and school boards are able to waive the Secretary's requirements, in part or whole. However, such entities are required to submit a proposal for alternative requirements for approval by the Secretary and the Secretary of
