

Bureau of Labor Statistics Special Agreement Check (SAC) Information

Instructions

All visitors to the Bureau of Labor Statistics (BLS) national headquarters building require a minimal background check. The information collected on this form is used to check government repositories for prior vetting information and/or to conduct a Special Agreement Check (SAC). All your answers must be truthful and complete. A false statement on any part of this form may be grounds for denying access to BLS facilities and confidential BLS data.

After the vetting/SAC is completed, you will be contacted regarding additional steps necessary to access confidential BLS data. Once all requirements have been fulfilled, the BLS will issue you a temporary building access card. You will not be a federal employee or contractor upon completion of the SAC.

The information you provide on this form will be entered into the federal credentialing system, USAccess. You will receive an email with instructions to schedule an appointment to have your fingerprints recorded at a federal government facility if you do not already have applicable security vetting. If you are not currently in the United States, please do not submit this form until you return, since you will not be able to have your fingerprints recorded outside the country.

The form should be submitted as a password-protected email attachment or faxed, since it will contain your social security number and other personally identifiable information. It should be submitted only to your primary BLS contact.

Privacy Act Statement

The information you provide will be used by staff at the Department of Labor to check government repositories for prior vetting and/or to conduct a Special Agreement Check (SAC) to determine your fitness to access restricted BLS data. It may be disclosed to other authorized federal officials as part of the SAC process.

In accordance with the Privacy Act of 1974 as amended (5 U.S.C. 552a), details about routine uses can be found in the system of records notice, OPM/GOVT-1, General Personnel Records. Your Social Security Number (SSN) is needed to keep our records accurate, because other people may have the same name and birth date. Public Law 104-134 (April 26, 1996) asks Federal agencies to use this number to help identify individuals in agency records. Providing the information on this form is voluntary. However, the BLS will not be able to grant access to restricted BLS data without this information. The BLS is authorized to request the information on this form under Title 5, United States Code, Section 301.
