

NLSY 97

Thank you for completing your interview!

Each round we ask you a series of questions that allows the comparison of your recent experiences with previous ones captured in earlier interviews.

It's important that we re-interview the same individuals each round, and learn what has and has not changed in people's lives. This helps us present an accurate picture of your generation.

Sincerely yours,

Keenan Dworak-Fisher
Director, National Longitudinal Surveys
U.S. Bureau of Labor Statistics
