

## **NLSY** 97

## Thank you for completing your interview!

Each round we ask you a series of questions that allows the comparison of your recent experiences with previous ones captured in earlier interviews.

It's important that we re-interview the same individuals each round, and learn what has and has not changed in people's lives. This helps us present an accurate picture of your generation.

Sincerely yours,

**Keenan Dworak-Fisher**Director, National Longitudinal Surveys
U.S. Bureau of Labor Statistics
