Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and pubs for filing. We incorporate all significant changes to forms posted with this coversheet. However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions are subject to OMB approval before they can be officially released, so we post drafts of them until they are approved. Drafts of instructions and pubs usually have some additional changes before their final release. Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). Also see [IRS.gov/Forms](https://www.irs.gov/Forms).

Most forms and publications have a page on IRS.gov: [IRS.gov/Form1040](https://www.irs.gov/Form1040) for Form 1040; [IRS.gov/Pub501](https://www.irs.gov/Pub501) for Pub. 501; [IRS.gov/W4](https://www.irs.gov/W4) for Form W-4; and [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA) for Schedule A (Form 1040), for example, and similarly for other forms, pubs, and schedules for Form 1040. When typing in a link, type it into the address bar of your browser, not a Search box on IRS.gov.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or pubs at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). Include “NTF” followed by the form or pub number (for example, “NTF1040”, “NTFW4”, “NTF501, etc.) in the body of the message to route your message properly. We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product, but we will review each “NTF” message. If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

General Instructions

Don't send this form to the Social Security Administration. This form is processed solely by the IRS for third-party sick pay reporting.

Purpose of Form

Form 8922 is filed to reconcile employment tax returns (for example, Form 941) with Forms W-2 when third-party sick pay is paid. For more information, see *Sick Pay Reporting* in Pub. 15-A. For purposes of these instructions, all references to "sick pay" mean ordinary sick pay, not qualified sick leave wages. See the instructions for your employment tax return for more information about qualified sick leave wages.

Who Must File

Generally, if the liability for the employer's share of social security tax and Medicare tax is reported on the employer's employment tax return, Form 8922 must be filed by:

- The employer, if sick pay is reported on Forms W-2 under the name and employer identification number (EIN) of the insurer or agent; or
- The insurer or agent, if sick pay is reported on Forms W-2 under the name and EIN of the employer.

For more information on who must file Form 8922, see Pub. 15-A.

Substitute Forms

The IRS accepts quality substitute tax forms that are consistent with the official forms and have no adverse impact on our processing. The official Form 8922 is the standard for substitute forms. Because a substitute form is a variation from the official form, you should know the requirements of the official form for the year of use before you create a substitute version. For details on the requirements for substitute forms, see Pub. 1167.

Specific Instructions

Check box for employer or insurer/agent. Check the appropriate box to state whether you're the employer or the insurer/agent filing Form 8922.

Filer's name. If the Employer box is checked, the employer for whom the sick pay was paid by the insurer or agent will complete the information with the employer's name, address, and phone number.

If the Insurer/Agent box is checked, the insurer or agent who paid the sick pay will complete the information with the insurer/agent's name, address, and phone number.

Filer's EIN. If the Employer box is checked, enter the EIN of the employer.

If the Insurer/Agent box is checked, enter the EIN of the insurer or agent.

Other party's name and EIN. If the Employer box is checked, the employer must provide the name and EIN of the insurer or agent. If the employer has contracts with more than one insurer or agent, the employer must file a separate Form 8922 for the wages and taxes related to each contract.

If the Insurer/Agent box is checked, the insurer or agent may, but isn't required to, provide the name and EIN of the employer. If it is providing this information, and if it has contracts with more than one employer, it must file a separate Form 8922 for the wages and taxes related to each employer. Alternatively, it may file a separate Form 8922 for the wages and taxes related to each employer for which it is

supplying the name and EIN, and then file one Form 8922 for the wages and taxes related to the employers for which it isn't supplying the name and EIN.

Box 1. Enter the total amount of sick pay subject to federal income tax.

Box 2. Enter the total amount of federal income tax withheld from the sick pay.

Box 3. Enter the total amount of sick pay subject to social security tax. If a third-party payer of sick pay is also paying qualified sick leave wages on behalf of an employer, the third party would be making the payments as an agent of the employer. The employer is required to do the reporting and payment of employment taxes with respect to the qualified sick leave wages, unless the employer has an agency agreement with the third-party payer that requires the third-party payer to do the collecting, reporting, and/or paying or depositing employment taxes on the qualified sick leave wages. If the employer has that type of agency agreement with the third-party payer, the third-party payer includes the qualified sick leave wages in box 3. The third-party payer must also attach a statement to Form 8922 that specifies the amount of qualified sick leave wages included in box 3. See the instructions for your employment tax return for more information about qualified sick leave wages.

Box 4. Enter the total amount of social security tax withheld from the sick pay.

Box 5. Enter the total amount of sick pay subject to Medicare tax.

Box 6. Enter the total amount of the Medicare tax (including Additional Medicare Tax) withheld from the sick pay.
