You may download a copy of the regulations from www.irs.gov/Tax-Professionals/Enrolled-Actuaries.

You should not complete Form 5434 until you have satisfied the qualifying experience in section 901.12(b), the basic actuarial knowledge requirement in section 901.12(c), and the pension actuarial knowledge requirement in section 901.12(d).

Instructions for Certain Line Items

Item 7

As part of the application process, the Joint Board may conduct a federal tax compliance check. For more information, see instructions for item 13.

Item 10

You must have, within the 10-year period immediately preceding the date of application, either

- (1) a minimum of 36 months of certified responsible pension actuarial experience or
- (2) a minimum of 60 months of certified responsible actuarial experience including at least 18 months of responsible pension actuarial experience.

The terms "responsible actuarial experience," "responsible pension actuarial experience," "certified responsible actuarial experience," and "certified responsible pension actuarial experience" are defined in section 901.1. You should account in Schedule A (Employment Record) for all such experience in the actuarial profession within the last 10 years.

Item 11

If you are claiming transition credit for an examination taken prior to January, 2001, please so indicate. You may review the transition rules at www.irs.gov/Tax-Professionals/Enrolled-Actuaries.

Item 12

You must successfully complete the pension actuarial knowledge requirement of section 901.12(d)(1) (i.e., exams EA-2F and EA-2L, or equivalent) within the 10-year period immediately preceding the date of application on line 17. The date of successful completion of an exam is the date you sat for the exam, provided you received a passing grade.

Item 13

Answer "Yes" to item 13 if, for any of the 3 tax years preceding the date of your application, you failed to timely file a required federal tax return or pay a federal tax for yourself, a client or prospective client, or an authoritative body issued a finding that you evaded any federal tax or payment for yourself, a client or prospective client.

Specify the form number of the return, the taxable period covered by the return, the type and amount of penalties imposed if any, and whether any outstanding tax balance remains, in your attachment to item 13. If an authoritative body issued a finding that you evaded any federal tax or payment, please explain and provide a copy of the finding.

Note, as part of the application process, we may check your federal tax history to verify that you have timely filed and paid your federal taxes.

The term "authoritative body" includes a court of law, a duly constituted licensing or accreditation authority, a federal or state agency, board, commission, hearing examiner, administrative law judge, or other official administrative authority. When responding about the action of an authoritative body, attach a statement specifying (as applicable) the name and address of the authoritative body, the date of the body's action, the nature of the finding, and the type and duration of discipline imposed.

Item 14

Answer "Yes" to item 14 if, during the 15-year period immediately preceding the date of application or the date of the applicant's 18th birthday, if more recent, an authoritative body issued a finding that you engaged in any of the types of conduct described in section 901.12(f)(1), including:

- i. Conduct evidencing fraud, dishonesty, or breach of trust.
- ii. Knowingly giving false or misleading information to the Department of the Treasury, Department of Labor, or the Pension Benefit Guaranty Corporation.
- iii. Attempting to influence the action of the Department of the Treasury, Department of Labor, or the Pension Benefit Guaranty Corporation by coercion or inducement.
- iv. Using abusive language, making false accusations and statements knowing them to be false, or circulating or publishing malicious or libelous matter in connection with matters before the Department of the Treasury, Department of Labor, or the Pension Benefit Guaranty Corporation.

See section 901.12(f)(1) for a more detailed description of the circumstances that require you to answer "yes" to item 14.

The term “disreputable conduct” is not limited to the items described above. An example of a circumstance when the Joint Board would investigate to determine whether an applicant’s conduct was disreputable beyond the conduct specifically listed in section 901.12(f)(1) is when an individual has been disciplined for cheating on an examination. Another example is when an individual has been disciplined for violating professional standards of an actuarial organization or other profession.

The term “authoritative body” is defined in the instructions for item 13.

Item 15

Under section 901.12(f)(2), an applicant may be denied enrollment if the applicant has been convicted of any of the offenses (for example, robbery, bribery, extortion, embezzlement, fraud, murder, rape, perjury) referred to in [section 411 of ERISA](#) under the laws of the United States, any State or the District of Columbia, or any territory or possession of the United States. See [ERISA section 411 \(i.e., Section 1111 of Title 29, U.S. Code\)](#) for a more detailed list of applicable offenses.

Under section 901.12(f)(3), an applicant may also be denied enrollment if the Joint Board finds that the applicant has submitted false or misleading information on an application for enrollment to perform actuarial services or in any oral or written information submitted in connection therewith or in any report presenting actuarial information to any person, knowing the same to be false or misleading.

The term “authoritative body” is defined in the instructions for item 13.

Schedule A (Employment Record)

Complete a separate Schedule A for each employer or period of employment. If employment for an employer consisted of two (or more) periods, one of which consisted of responsible pension actuarial experience and the other(s) did not, treat these as different periods of employment in separate Schedules A. Number each block of employment and provide a Schedule A for each. In general, the individual asked to certify your experience should be your immediate supervisor. However, if your immediate supervisor is not an enrolled actuary, both your immediate supervisor and an enrolled actuary must certify your responsible pension actuarial experience. Note, an enrolled actuary may not certify your responsible pension actuarial experience for any period before he/she is enrolled or for any period thereafter while in inactive status.

In addition, if you believe that another individual is better able to certify your experience, please explain and provide the individual's name, position title, address, email address (if known), and telephone number in addition to the information provided for your immediate supervisor. If you believe it is appropriate for several individuals to certify your experience for different periods of time with the same employer, provide the names of such individuals, their position titles, addresses and telephone numbers.
