Fiscal Year (FY) 2023 Notice of Supplemental Funding Opportunity

AGENCY: Substance Abuse and Mental Health Services Administration, Department of Health and Human Services (HHS).

ACTION: Notice of intent to award supplemental funding.

SUMMARY: This notice is to inform the public that the Substance Abuse and Mental Health Services Administration (SAMHSA) is supporting a supplement in scope of the original award for the one grant recipient, the Community Anti-Drug Coalitions of America (CADCA), funded in FY 2019 under the National Anti-Drug Coalitions Training and Workforce Development award, Notice of Funding Opportunity (NOFO) SP-19-002. The recipient may receive up to \$175,000 and the project period will be extended by 12 months until November 30, 2024. The supplemental funding to CADCA will be used to continue the Voices of Youth Training Initiative. The Voices of Youth Training Initiative has shown positive results, and the continuation of the program will support finalizing the sustainability and scalability beyond the supplements. The supplement will continue to connect the Future Health Professionals (HOSA) national student organization with CADCA to support youth-led strategic planning for the prevention field and develop leadership skills for the future workforce. This supplement will also allow CADCA to provide HOSA students an opportunity to both learn about and provide valuable input into strategic initiatives for prevention.

Funding Opportunity Title: FY 2019 National Anti-Drug Coalitions Training and Workforce Development Grant SP-19-002.

Assistance Listing Number: 93.243.

Authority: Section 516 of the Public Health Services Act, as amended.

Justification: The purpose of the National Anti-Drug Coalitions Training and Workforce Development grant program is to provide education, training, and technical assistance for coalition leaders and community teams, with an emphasis on the development of coalitions serving economically disadvantaged areas. The program disseminates evaluation tools, mechanisms, and measures to better assess and document coalition performance measures and outcomes and bridge the gap between research and practice by translating knowledge from research into practical application. This is not a formal request for application. Assistance will only be provided to the National Anti-Drug Coalitions Training and Workforce Development grant recipient funded in FY 2019 under the National Anti-Drug Coalitions Training and Workforce Development Cooperative Agreement SP-19-002 based on the receipt of a satisfactory application and associated budget that is approved by a review group.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

DEPARTMENT OF AGRICULTURE

[Docket No. FR-6271-N-01]

RIN 2506-AC55

Adoption of Energy Efficiency Standards for New Construction of HUD- and USDA-Financed Housing: Preliminary Determination and Solicitation of Comment

AGENCY: Department of Housing and Urban Development, Department of Agriculture.

ACTION: Notice of preliminary determination.

SUMMARY: The Energy Independence and Security Act of 2007 (EISA) establishes procedures for the U.S. Department of Housing and Urban Development (HUD) and the U.S. Department of Agriculture (USDA) to adopt periodic revisions to the

International Energy Conservation Code (IECC) and to ANSI/ASHRAE/IES Standard 90.1: Energy Standard for Buildings, Except Low-Rise Residential Buildings (ASHRAE 90.1), subject to a determination by HUD and USDA that the revised codes do not negatively affect the availability or affordability of new construction of single and multifamily housing covered by EISA, and a determination by the Secretary of Energy that the revised codes "would improve energy efficiency." This Notice announces the preliminary determination of HUD and USDA, as required under section 481(d)(1) of EISA, that the 2021 IECC and ASHRAE 90.1-2019 will not negatively affect the affordability and availability of housing covered by EISA. In making this preliminary determination, the first step to ultimately requiring compliance with these standards in HUD and USDA housing covered by EISA, this Notice relies on several studies that show that these codes are cost effective in that the incremental cost of the additional efficiency measures pays for themselves with energy cost savings on a life-cycle basis.

DATES: *Comment Due Date*: July 17, 2023.
