National Fire Incident Reporting System (NFIRS) User Login

To access the U.S. Fire Administration's (USFA) NFIRS 5.0 software and tools, you first need to register for an account. Your state's NFIRS program manager will notify you when your account is active. If you registered for the National Fire Incident Reporting System (NFIRS) but were not notified that your account is active, contact your state's NFIRS program manager.

Members of the NFIRS user community who use the Summary Output Reports Tool (SORT) or need to obtain a Forms Based Incident Report (FBIR), the paper format of an incident, must login below to access those tools. Contact your state's NFIRS program manager to request the specific permissions to access these tools.
